Dear Brothers and Sisters:

We at Kirkridge look forward to your coming this weekend very much!

REMEMBER:

1. Bring something of yourself to share with us--a dimension which we don't know about you;
2. BOOKS--THEOLOGY #7--summary sentence to follow each essay--BAINTON;
3. Comment on each of 8 Ways of Being Religious;
4. Personal summary ~~at~~ 5 questions--evaluation of ourselves;
5. Our Vocation--> direction--Humana Agenda as it has been shaped in MC.

*24*  
 New riches have come in reading WEE's blue set of lectures given on CONVERSION, TODAY, TO GOD AND HIS KINGDOM--given in 1967 at Greenlake, Wisconsin. I find them deeply meaningful re my own journey--and commend them to you if you have not already read them. They seem so "relevant" to where we are in our journeys--again WEE is "years ahead of the mainline" in perceiving where history and persons in it are moving.

Until Friday--7 p.m. supper begins at the FARMHOUSE--215-588-0954

Pax--and safe journeying!
