Dr. Elliott will speak to us and with us on the following Monday evenings: October 22, November 5, November 26, December 3, December 10, at 8pm. You may register for the course in advance by sending a check payable to Temple Beth El in the sum of \$4 for the series, or you may register on the first evening, October 22. You may also attend the individual lecture-discussions for \$1 per lecture. Coffee/tea and cake will be served.

### THE LECTURE-DISCUSSIONS:

October 22: WHO IS JESUS FOR US JEWS AND CHRISTIANS, NOW? Has the time come for Jews and Christians together to reconsider the meaning of Jesus?

November 5: THE "CULTS" - GATES OF NEW LIFE, OR OLD DEATH? What has happened to our society and its values? Are the cults a real threat? How are we best able to face their challenge in our own lives and those of our dear ones?

November 26: MAKING SENSE WHEN THE WORLD JUST DOESN'T MAKE SENSE. When you feel that your life no longer makes sense, is that a disaster, or an opportunity? (Based on a book Dr. Elliott is writing for Harper & Row.)

December 3: THE SENSE THE BIBLE MAKES. How to use the Bible as a tool that will help you make sense of your life. (Based on a book Dr. Elliott is writing for Harper & Row.)

December 10: TOMORROW FROM THE INSIDE OUT. We are focussed on the technology of tomorrow as an answer to the question of our future. But the future is being created by us now. Let us consider another question: What will our inner lives be like in the future? This question, too, is being answered today. A look at our lives, and the lives of our grandchildren.
