2. Gonna study war because I wanna **fight**.
3. Gonna study war because if I'm prepared, I won't have to **fight**:

5. Gonna study war no more because if I don't study it, I won't need to fight.
6. Gonna study war no more because God tells me to beat sword into ploughshare.
7. Gonna study war no more because God convinces me, in both Testaments, that violence is outside my assignment: violence is a divine prerogative.
