"You then, my son, be strong in the grace that is in Christ Jesus, and what you have heard from me before many witnesses entrust to faithful men who will be able to teach others also."

MAKE ME A CAPTIVE, LORD
Communion Meditation by Pastor Fredrikson — “Where Is The Point Of Kindling?”
Communion Anthem—**“Draw Us In The Spirit’s Tether”................. Friedell

Draw us in the Spirit’s tether; for when humbly in thy name,
Two or three are met together, thou art in the midst of them:
Alleluya, touch we now thy garment’s hem.
As the brethren used to gather in the name of Christ to sup,
Then with thanks to God the Father break the bread and drink the cup,
Alleluya, so knit thou our friendship up.
All our meals and all our living make as sacraments of thee,
That by caring, helping, giving, we may true disciples be.
Alleluya, Alleluya, we will serve thee faithfully.

Where Is the Point of Kindling?

The Challenge of Our Young People.

Our Response

The Word That Has Shaped Our Young People

1. Revolution, Upheaval, Fear and Violence
   - Peoples seeking for a Better Way of Life.
   - New Goals being formed: shelter, shelter.
   - Massive Game of Power Politics.
   - Great Debate over Fear: one shelter.

2. World of Fantastic Mobility
   - The shift of peoples. 25% by the end of the year.
   - The Space Place.
   - The use of the car, greater influence than T.V., movie or atom bomb.

3. Period of Great Intellectual Confusion
   - Great landmarks in thought are losing.
   - Replaced by Existentialism, Materialism, and Materialism.
   - The university community has become a marketplace.
   - The forces that play on many of us are what they see or what they do.
   - "Post-Christian" Era
4. The Idea has led to Great Moral Confusion
- We cling to the form, but the Substance is gone. We believe God but live as if we never knew Him.
- We are subject to the Wills and Fancies of Modern Life.

5. We are trying to manipulate Our Young People
- Life was not tough for them as it was for us.
- Do let the Young People have what they want.
2.

What Characterizes Our Young People

1. They are confused on central issues.
   - No great intellectual or political commitments.
   - A little mixture of truth, lies, or Nietzsche.
   - A very few students aroused about
     - Any of the great issues.
     - This is shown up clearly in a lack of understanding of democracy or communism.

2. Great confusion on norms.
   - Great study on changing values on the college campus.
   - Jerome Illson on cheating.
     - 40% to admit frequent cheating.
     - Caused by pressure to succeed.

Upper Classman to Entering Freshman:

"Now when you get here remember books are for the brain, not for people. What matters in contacts. Get there a couple of days early, introduce yourself around, become known, get elected to a class office, plan your courses so you are not always on the books so you have time to make contacts."
(3) Young People are Extremely Self-Centered

Little help concern for this world.

- Turned on themselves, GalleryHub

146% of young fear nuclear war,
25% of them afraid of personal fail
- Girls expressed concern over social insecurity, not being loved
- They want success

(4) These Young People are Great Conformists

- The youth of mass media
- Men in their sense and love togetherness
- Rossmann on gallery study

- They want to work in great corporations
- The children of organization, not the makers of it.
5. Will letter for you success rather than wish their fate.

- Its letter to compromise their wish.
- Keep what you have rather than wishing less.

- The Typical Young Man.
- 6'3" whining boy who has had 3 cars
  and a Motor Scooter in the last 2 years.
- College fellow who wants a career in
  Mary to be can retire early.
- Texas boy who wants to travel -
  First class of course.

"We have our tanned and well-scoured faces, white
and shamelessly revealing compromise, conformity,
and intellectual poverty.

96% are satisfied with life.

Glenard Swantlton, novel: "Where Free Boys Are"

"We have pimples, we no suffering, money not no wealth,
all kinds, but no evil... television but no miracle...
I O's but no intellect. We have everything but the one
thing that makes the human being cannot live
something for which to die."
These young people have not yet caught fire

1. There is no great cause.
   - No commitment of life.

2. Will our typical church program kindle them?
   - Not the time of meeting, inviting the room or adding the gimmicks.

3. Will the faith of our horses kindle them?
   - Here we can see clearly what really dominates our lives.

Do we have the vision of a revolutionary gospel?

1. Do we understand what we say we believe.
2. Do we really believe?
3. Are we committed
4. Is it big enough to sustain us.
   - Last night
Jesus said:

"If any man will come after Me, let him deny himself, and take up his cross daily, and follow Me."

He said:

"Then therefore, my son, be wise, and keep your heart in health as a good soldier of Jesus Christ."
