A Life Worthy of the Calling
Family of God / Reality

Our Great Calling

1. Only two central claims in life.
   - The call of this age
     - The broad road that leads to destruction
     - Power, success, self-centeredness, unbelief
   - The call of our God
     - The claim that comes to every man
     - God's attempts to reach us at every level
     - Made central to us in Jesus Christ

2. Our calling is rooted in what God has done.
   - The one great hope
     - The incomparable theme
     - For, grace, type, modern wall
     - A call to forgive, meekness, and longsuffering
     - The call to love ourself, the neighbor

3. Our calling requires response.
   - The offering of the total self
     - In the Word and in the sanctuary
     - Family, work, finances, an offering
     - Alone, the also with my neighbor
- Become who I was me the wrong way.
- The great need that keeps its claim on me.
- The necessity for a branching center for all of life.
2.
"Called Into the One Great Body"
