"If Christians would really live the teachings of Christ, as found in the Bible, all of India would be Christian today." This statement was made by Mahatma Mohandas K. Gandhi. India can become a Christian nation if we are true to Christ’s Great Commission. To do so, we must pray diligently for the success of the Christian workers, including many American Baptists, who labor there. And we must give sacrificially to support them.

This year the World Fellowship Offering is focused on India. Of all the great lands of the East, India is the one holding high the light of democracy. In India the whole idea of freedom and the worth of individual men is being tested. Therefore, it is appropriate that at this time especially we should do our utmost to give the teeming population of India an opportunity to learn of Christ.

October 5 — the first Sunday in October — is World Fellowship Sunday. Let us keep this date in mind and set aside an extra offering to help spread the story of Christ in India.

THE MINISTRY OF THE GIDEONS

Serving as a non-sectarian, extended arm of the church, The Gideons International, composed of Christian business and professional men, is carrying out a broad ministry of Scripture distribution in nearly 60 countries which no single denomination could undertake. The fact that the Gideon Association is inter-denominational gives its members access to almost all institutions. They give freely of their time and money and enjoy the good will of the public. Their cause is liberally supported by the church.
