

Best Vapor Juice Flavor 2021

With the COVID-19 pandemic, 2020 looks to be a tough year for all of us. Fortunately, the vaccine has been invented. We are gradually getting back to normal life. Some e-cigarette stores had to close due to the terrible pandemic. More and more consumers are choosing to stay at home and shop online. If e-cigarette users have access to their favorite juices, then the lockdown time is definitely bearable for them. So what's the hottest juice in early 2021? Let's explore.

Through our research and analysis, we've listed the best e-cig juice flavors for 2021.

1. Dinner Lady Lemon Tart

Nicotine: 0mg(can alternatively add a nicotine or CBD shot)

PG/VG: 30/70

If you're a sweet tooth, you won't want to miss the Lemon Tart flavor. The Lemon Tart flavor is one of the most popular flavors in Dinner Lady's Desserts line. With Lemon Tart E-liquid e-cigarette, you can enjoy the fresh and sweet smell of lemon wrapped in a rich milk and butter cookie. What a delicious and cool e-cigarette experience! While all vape oil suppliers use the same vape oil ingredients: PG, VG, flavorings and nicotine, Dinner Lady always uses the finest ingredients to create a flavorful and unique vape oil. You'd be hard pressed to find this admirable e-liquid anywhere else. According to Dinner Lady's statement, all of its 50:50 vape oils are manufactured in the UK and enforce strict quality control measures. Therefore, it pays to choose Dinner Lady as your e-cigarette partner.

We recommend that you use Lemon Tart 50:50 in a refillable pod kit or MTL device for better performance.

2. Cherry Cola

Nicotine: 18mg

PG/VG: 30/70

Cherry Cola is an e-cigarette oil that we purchased from UK ECIG STORE. We both like cola and wanted to find a good cola flavored vape oil. So we bought various cola flavored vape oils. In the end, Cherry Coke was the winner. Cherry Cola perfectly preserves the original classic cola flavor and mixes it with pure, sweet and creamy cherry flavors. A delightful flavor that will leave you refreshed. Cherry Cola vape oil is also designed and manufactured in the UK. We use high quality ingredients to create an authentic blend of flavors.

We recommend using Cherry Cola with a sub-ohm vape kit for the best vaping experience.

3. IVG Classics Strawberry Sensation

Nicotine: 0mg(can alternatively add a nicotine shot)

PG/VG: 30/70

IVG Classics Strawberry is indeed a great flavor. When we tried it for the first time, we were both attracted by its rich and impressive flavor. It is full of sweet and fresh strawberry candy flavor. At the same time, there is a light minty refreshment. If you don't like nicotine, IVG Classics Strawberry Sensation is your cup of tea. You can enjoy both the fun of e-cigarettes and the cool summer strawberry candy flavor. If you like nicotine, you can also add your own nicotine. Just follow the rules on their website. IVG vape oil has won many awards. It proves once again that you need to give it a try.

4. Vampire Heisenberg

Nicotine: 3mg

PG/VG: 50/50

Heisenberg is one of the most popular flavors of Vampire e-liquid. This e-liquid blends a variety of red berries with the refreshing sensation of menthol. Enjoy the sweet natural sweet fruit flavor and the cold burst in your mouth. The perfect balance between fruit and menthol entices you to vape it all day long. If you really don't like the taste of menthol, we don't recommend you to choose this vape oil. However, if you have ever tried the unpleasant menthol taste of other vaping oils, we strongly hope you will give it a try to get a fresh perspective on menthol vaping oil.

5. Vampire Pinkman

Nicotine: 3mg

PG/VG: 50/50

Vampire Pinkman is an electronic cigarette oil that contains nicotine salts. So if you are interested in trying nicotine salts, you will undoubtedly choose it. Pinkman vape oil is full of fresh mixed fruit flavors and a consistent nicotine throat hit. You don't need to smoke e-cigarettes often to get satisfaction. A few puffs will easily satisfy the fragrance of wild fruits and nicotine. Since nicotine salts can give e-cigarette users a strong nicotine hit. We recommend people who usually smoke more than one pack a day to choose Vampire Pink Man vape oil. Pod kit is the right device for this e-liquid.

When you choose the best vapor juice, don't forget to use a suitable vaping device. Or you can leave a comment to let me know your favorite vaping juice flavor.
