

KTJO Holds Elections

MAY 8, 1970

Next fall's administrative arm of KTJO -FM, the Board of Governors, has been elected by the general staff of the station it was announced Tuesday. The three member board with Dr. Michael Twedt as advisor for next fall are Lyle Butler, Michael Lonchar, and Dan McGowan. This board handles internal struggles of the station and oversees the general development.

In addition, the new Board of Governors has selected Michael Lonchar as general manager of KTJO - FM for the 1970-71 school year. Lonchar, cur-

rently program director, stated that positions are open for many areas and asks that anyone interested in working in any capacity from quiz shows, talk shows, jazz, etc. next fall contact him as soon as possible. He hopes to have all positions filled by the middle of May and stated that no previous experience is necessary. Lonchar said that it will be announced later who will be on his staff and also what new programming will be initiated this fall but hinted at the possibility of KTJO - FM going stereo.

I'm just calling to say something about the article on OU radio in your paper. There's a person that did more to get OU radio back on the air than almost anybody, he was a student at Ottawa University, and I think he deserves some recognition for the part he played in getting OU radio to the position it is today. And since he works for your paper, his name is Ralph Young, I think you should give him a little salute.
