Pi Kappa Deltans Become College Presidents

AT WHITEWATER STATE COLLEGE: WALKER D. WYMAN SUCCEEDS ROBERT C. WILLIAMS

The post as president at Whitewater (Wisconsin) State College is not really reserved for Pi Kappa Deltans.

It just appears that way, as Dr. Robert C. Williams, retiring from the presidency after 16 years, relinquishes the office to Dr. Walker D. Wyman, who will become the college’s ninth president on July 1.

Both men were active in debate as college undergraduates, both have been debate coaches and both were instrumental in organizing college chapters of Pi Kappa Delta.

While his reputation as a historian has overshadowed his activities in speech, Dr. Wyman, now chairman of the department of social science at River Falls (Wisconsin) State College, has had a lifelong interest in forensics.

As an undergraduate at Illinois State Normal University, he was president of the local chapters of Pi Kappa Delta and of Theta Alpha Phi.

Active in both speech and dramatics, he represented the college in intercollegiate debating, extemporaneous speaking and oratory, accumulating a collection of ribbons and citations in the “Little Nineteen Conference.”

During three years of this period one of his debate partners was Dr. Maurice O. Graff, now Dean of the College at La Crosse (Wisconsin) State College, and another was Dr. Harry Dean, now at Florida Southern University.

Dr. Wyman received his bachelor of education degree from Illinois State Normal in 1929 and an M.A. in history in 1931 from the State University of Iowa, where he completed his doctoral work in 1935. After a brief period as a high school social science teacher at Dwight, Ill., he joined the faculty at River Falls in 1932.

One of his first assignments there was that of debate coach, a position he held for the next 14 years.

In 1936 he inaugurated the River Falls chapter of Pi Kappa Delta.

The first person in the Wisconsin State College system to institute international debates, he brought an Oxford University team to River Falls in 1936, and the Oxford-River Falls debate was a tradition for a number of years.

Discussing the place of forensics at the college level, Dr. Wyman said he “believes that speech activities have much to contribute to the collegiate education of young people.”

“Such experiences as those provided by dramatics and speech contribute to the poise and self-confidence of the student, sharpen bibliographical techniques and strengthen the ability to organize and express ideas.”
And extending his views to include his new post at Whitewater, he added, “I would hope that Whitewater students would take advantage of the opportunities provided not only by the speech and drama departments, but also by classroom experiences and campus organizations, to develop the arts of oral communication.”

“Of course, this amounts to nought unless a student also learns to read and write, and increases his sensitivity to the world in which he lives.”

Obviously a product of those beliefs, Dr. Wyman is himself a prolific writer and is not only the author of several volumes on frontier history including The Wild Horses of the West, California Emigrant Letters, Nothing But Prairie and Sky but also the co-editor of The Frontier in Perspective. He has contributed some 25 articles and 200 book reviews to professional periodicals and has written for Encyclopædia Britannica.

Active in historical and educational organizations, Dr. Wyman is a member of the American Historical Association’s Committee for the Teaching of History in the Schools, and serves on the board of the Association’s Service Center for Teachers. He has been president of the Wisconsin Historical Society and a member of its Board of Curators.

In recent years he has been a visiting professor of history at the Universities of Wisconsin, Minnesota and Maine.

Several years ago Dr. Wyman was selected as one of the “three most distinguished alumni of Illinois State Normal University.”

His wife, Helen, is an art teacher and illustrated California Emigrant Letters, one of her husband’s books. The couple has two sons, Bryant, a captain with the Army medical corps stationed in Karlsruhe, Germany, and Mark, a reporter for the Minneapolis Tribune.

Dr. Williams, who was an honored guest at the Pi Kappa Delta Province of Illinois-Province of Missouri tournament banquet on the Whitewater campus late in April, has been interested in debate as long as he has been eligible to participate, beginning as a high school student. He was a member of the debate team for three years at Central College, Pella, Iowa, where he helped to organize the Iowa Beta Chapter of Pi Kappa Delta. As a teacher and superintendent of schools in Iowa he served as a debate coach and regularly judged high school debates, and in 1948, as president of Whitewater State College, he again started to build a forensic program.

Because of Dr. Williams’ belief in the educational values of a forensic program, emphasis at Whitewater has been placed on those values, rather than on winning. All students who wish to participate in debate are accepted as long as they contribute to the work of the squad, and all are given an opportunity to participate in some debates. The goal of the program is to build a number of competent debaters rather than one or two excellent teams.

Dr. Williams would doubtless agree with Dr. Wyman’s summary, that “An ideal college dedicated to learning and an ideal student body dedicated to the pursuit of knowledge might find a public affairs forum the ‘red meat’ to make college life exciting. Here they might discuss and debate the great issues of the day. Speech activities can give a new dimension to the purposes for which colleges exist.”

AT OKLAHOMA BAPTIST UNIVERSITY: JAMES R. SCALES IS NOW NINTH PRESIDENT

Dr. Scales was installed as O.B.U.’s ninth president on December 10, 1961, and says of his new task, “I found the school good and only hope to make it better.”

Dr. Scales succeeded Dr. John W. Raley as president on June 1, 1961. Dr. Raley, who became president in 1934 when O.B.U.’s fortunes were at their lowest ebb, was elevated to the office of chancellor.

Not many Baptists had to ask, “What kind of a man is the new president?” Scales’ long association with O.B.U., his standing as a popular professor, scholar and civic leader answered it for them.

The 42-year-old president has been associated with O.B.U. since he entered the school in 1935 as a freshman. His stay has been interrupted only by graduate work at the University of Oklahoma, University of Chicago, the University of London, and a 3-year stint as a signal officer in the Navy during World War II.

Editor’s note: The above article on President Scales is reprinted from Sooner News-Makers, February, 1962. It should be added that Dr. Scales debated at O.B.U. and later coached there. It is expected that under his leadership, O.B.U. will again become one of Pi Kappa Delta’s strongest chapters.
Scales joined the O.B.U. faculty in 1940, and returned as an associate professor from his wartime duties. He was made vice president in 1950 and continued his teaching duties as professor of history and government. In 1953 he was named executive vice president and president in 1961.

He graduated valedictorian of his Miami High School class, and magna cum laude from O.B.U. in 1939. He was elected to Phi Beta Kappa at the University of Oklahoma and was twice selected as Walgreen Scholar at the University of Chicago. His advanced studies have been in the fields of history and government, while undergraduate majors were French and English.

His professional and honorary memberships include American Historical Association of University Professors, Phi Eta Sigma scholastic fraternity, Pi Kappa Delta forensic fraternity, Kappa Delta Pi education fraternity, National Education Association, President's Committee on Education Beyond the High School (1957), Oklahoma Commission on Teacher Education and Certification (1955-61) and the American Guild of Organists.

He is a deacon in the First Baptist Church of Shawnee; a member, past president and director of the Shawnee Lions Club; member and director of the Shawnee Chamber of Commerce; past president of the Shawnee Community Concert Association; director of the Pottawatomie County Chapter of the American Red Cross; past member of the Committee on Oklahoma Constitutional revision, and a trustee of the Wesley Hospital Foundation in Oklahoma City.

Another qualification important in a university president is a sense of humor. This is possessed in abundance by Scales. His favorite jokes are on himself. He enjoys remembering the time a fellow faculty member held a mock-serious one-man-art show for him displaying his best "paint-by-number" artistic efforts.

Students are used to seeing their new president pedal serenely by on his bicycle on an outing with his two daughters or in a race with a faculty member. Faculty members are used to his penetrating, but sometimes cryptic notes analyzing any and all phases of the university.

Betty Ann Randel, '41ma, a classmate who became Mrs. James Ralph Scales in 1944, has her own credentials. She too is an O.B.U. graduate, and was one of the few women serving as full-time college teachers in government. She has taught the same Sunday School class at the First Baptist Church in Shawnee for 15 years.

Dr. Scales's avocations are often devoted to things academic. The past year found him studying the Russian language.

Students on the Shawnee campus are aware of the new president's avid interest in scholarship. One came through the central offices waving the list of unsatisfactory grades. "Now I know what Dr. Scales meant by 'a rigorous intellectual experience'," he commented. "This list is 14 pages long."

The search for truth and wisdom, the answering of the great questions of life are basic in Scales's concept of higher learning.

"To send your boy to college," he said, "just to confirm your own wisdom on every subject is a terrible waste of time and money and talent. The boy will change."

"It is our aim to help that boy as he pushes back the frontiers of the last generation. We intend to help by seeing that he is surrounded by understanding in those cruel years of doubt, confusion and kaleidoscopic change. We want to provide a rigorous intellectual experience, teaching him to attack ideas; to read, rather than run from books; to learn to be creative."

"We intend to help the boy strengthen and deepen his religious convictions. Not long before his death this year the psychiatrist Carl Jung said 'only in the second half of our lives do most of us come to grips with the hitherto neglected demands of our being; to engage in religious search for meaning.' Why should there be such waste? Why must we wait until youth has fled to explore the great issues of life?"

"Finally, we should hope that the boy will emerge from O.B.U. with a Christian world view. Where else but in college would he attack such issues as the nature of the universe, the nature of God, the destiny of man, the best kind of society for the happiness of man, the wisest kind of economic organization for individual liberty, the ways to attain the dignity of the human personality, and the best techniques and outlets for serving mankind?"

—Carlyle

Silence is deep as eternity; speech is shallow as time.
The President’s Page

In my files is an 1821 reference on public speaking by a British minister, Dr. Adam Clarke. His strictures were intended for new Methodist ministers. You may find some of them applicable to speakers anywhere; others, to say the least, are quaint or outmoded.

Compare these early instructions on public speaking to the training and experience you have received during your career.

When in the pulpit, be always solemn; say nothing to make your congregation laugh. Remember you are speaking for eternity.

Never assume an air of importance while in the pulpit; you stand in an awful place, and God hates the proud man.

Avoid all quaint and fantastic attitudes, queer nodding, ridiculous stooping, skipping from side to side of the desk, knitting of brows, and every other theatrical or foppish air which tends to disgrace the pulpit.

Never shake or flourish your handkerchief; this is abominable; nor stuff it into your bosom; this is unseemly. Do not gaze about on your congregation before you begin your work.

Seldom quote poetry in your sermons: if you avail yourself of the sentiment of the poem, give it plain prose. To say the least of this custom, it certainly is not agreeable to the rules of congruity to interlard prose discourses with scraps of verse.

Read your text distinctly and begin to speak about the middle of your voice, not only that you may be readily heard but that you may rise and fall as occasion may require.

Never drop your voice at the end of a sentence. This is barbarous and intolerable. In a multitude of cases where the last word is not heard the whole sentence is lost.

Be sure to have the matter of your text well arranged in your mind before you come into the pulpit, that you may not be confused while speaking.

In whatever way you handle your text, take care when you have exhausted the matter of it not to go over it again. When you have done, learn to make an end. The evil is doubled when a man brings forth little and is long about it.

You must set it down as an incontrovertible truth that none of your hearers will be more affected with your discourse than yourself. A dull, dead preacher makes a dull, dead congregation.

While we may laugh at many of these “advices,” some of them hold true yet today. I’m certain that your classroom instruction and your tournament experiences have helped you develop your skills as a speaker. Your membership in Pi Kappa Delta recognizes that skill. We all trust that you have learned to persuade not only beautifully but just.

To you graduating seniors, farewell and good luck! To you others, we will see you again next Fall.
EDITORIAL CHANGE
The Forensic announces with real regret that, because of the pressure of other duties, Professor John M. Burt feels it necessary to resign as Associate Editor of this magazine. Professor Burt has been an associate editor for the past three years and deserves a "well done" for his efforts on behalf of the fraternity. For the time being, chapter notes may be sent directly to the Editor or one of the Associate Editors.

MEMBERSHIP RUSH
From Secretary-Treasurer D. J. Nabors comes the word that the Provincials have brought the usual rush of memberships. "We have reached 400—not half as many as we will probably have before the year is out. We may not reach 1,000 this year as we usually drop some in the off year, but we should reach 900. There is more interest than usual on the part of prospective chapters for an off-convention year which indicates a strong interest in forensics around the nation."

IN MEMORIAM: EVAN A. REIFF
Also from Professor Nabors comes word of the death of Dr. Evan A. Reiff, President of Hardin Simmons University. Dr. Reiff debated at Oklahoma Baptist University, and later on he was coach of forensics at Ottawa University. Before going to Hardin Simmons, he served as president at Sioux Falls College. Dr. Reiff was a strong booster for Pi Kappa Delta and a personal friend of many of its members. His passing will be mourned by all who knew him.

NEW CHARTER PRESENTED: Olivet Nazarene College (Illinois) received its charter for the Omega Chapter of Pi Kappa Delta at the Missouri-Illinois bi-province tournament held at Wisconsin State College—Whitewater, April 16-17. The new charter was presented by Prof. Harold C. Larson, member of the National Council and Governor of the Illinois province. Shown above, left to right, are: Jo Anne Palmer, Professor Athel McCombs, Joyce K. Keylor, and Governor Harold Larson. Pi Kappa Delta welcomes Professor "Mac" McCombs and the other members of the new chapter into the fraternity.
THE PROVINCE OF THE PLAINS

The Province of the Plains held its tournament and Convention on the campus of Kansas State College of Pittsburg, March 29, 30, and 31. Vice-Governor H. Francis Short of Kansas State College was tournament director. During a business meeting the following officers were elected:

Governor: H. Francis Short, Kansas State College of Pittsburg, Kansas.
Vice-Governor: Don Wolfforth, Midland College, Fremont, Nebraska.
Secretary-Treasurer: Don Faules, Colorado State College, Greeley.

THE PROVINCE OF THE MISSOURI AND THE PROVINCE OF ILLINOIS: JOINT CONVENTION

Highlighting the Missouri-Illinois bi-province tournament at Wisconsin State College—Whitewater, April 15-17, was the candlelight ceremony that initiated 65 new Pi Kappa Delta members.

Dr. Larry Norton, past national president, was in charge of the initiation. The initiating team consisted of three other past national presidents, Dr. John Randolph, Prof. Sherod Collins, and Prof. Martin Holcomb. Active members of the chapters present formed the two sides of the triangle opposite the new initiates in an impressive ceremony.

Thirty schools were represented at the joint province Pi Kappa Delta tournament.

On Monday evening the main banquet was addressed by Pres. Robert Williams of Wisconsin State College—Whitewater—who is a charter member of the Central Iowa chapter of Pi Kappa Delta. He holds membership card No. 98.

The new officers elected for the Province of the Missouri were Calvin Stoney, Westminster College, Fulton, Missouri; Governor; and Carl Engdahl, Coe College, Cedar Rapids, Iowa, Secretary-Treasurer.

The results in the various contests are as follows:

THE PROVINCE OF THE PACIFIC

The Province of the Pacific held its biannual convention and tournament at Humboldt State College in the heart of the beautiful redwood empire of California on April 12, 13, 14, 1962. Ten province chapters were in attendance, also three prospective chapters that were invited.

The officers that were elected for the next biennium were:

Governor, Dr. Jack Howe, University of Arizona
Lt. Governor, Dr. Lloyd Jones, Chico State
Secretary-Treas., Dr. Donald Cameron, San Fernando Valley State

Our 1964 convention and tournament will be held at Los Angeles State College, Dr. Robert Kully as our host.

The most important event at the convention was the adoption of a new constitution and tournament by-laws.

The tournament results are as follows:

PROVINCE OF THE NORTHWEST

The Province of the Northwest held a successful and enjoyable Tournament and Convention on April 5-7 at Chico Hot Springs Ranch near Bozeman, Montana. This unusual Western style tournament was sponsored by Montana Beta Chapter of Montana State College. It is believed that this is the first time a tournament has been held on an authentic western ranch.

According to Governor L. A. Lawrence, who conceived of and arranged the event, "This Northwest country of ours is a land of tremendous beauty and great distances. It is a truly big country where many of our tournament trips amount to 1,800 to 2,000-plus miles per round trip. Therefore, many of our trips are high pressure travel and hurry-hurry. As a result we have felt that our own Northwest tournament should be something different—more enjoyable and somewhat of a reward for our hard working, dedicated debaters. It was my hope that this would be one of the best—one of the most enjoyable tournaments yet. Whether we achieved this aim can only be measured by the memories and impressions
In keeping with the informal Western atmosphere of the tournament, one debate was scheduled in the hayloft of the barn at Chico Hot Springs Ranch, with bales of hay for desks and speakers’ stands. From left to right: Bob Pike of Western Washington, Ernie Kissling and Stan Crow of Northwest Nazarene, Dan Smith of Western Washington, and Judge Bill Corbin of Idaho State College, new governor of the province. tained country around the ranch, and there was an excellent swimming pool heated by natural hot springs for that daily dip. Time was allowed for convention activities, and there was a full slate of Debate, Extemp, Oratory and Oral Interp.

W. N. Corbin of Idaho State College was elected Governor for the coming two years, with Lester McCrery of College of Idaho as his Secretary-Treasurer.

In the tournament activities Men's Debate was won by Floyd Anderson and Marolyn Edle of Idaho State with D. Baker and F. Gunzner of Lewis & Clark College second. Women's Debate was won by Lucy Melhuish and Arlene Lampa of Linfield College with Verna Peterson and Ellida Kirk, University of Puget Sound, second.

In Men's Extemp: First place, Ray Anderson, Idaho State College; Mike Nash, Carroll College and Floyd Anderson, Idaho State College, tied for second.

Women's Extemp: Ellida Kirk, University of Puget Sound, first; Lucy Melhuish, Linfield College and Sue Ward, Whitworth College, tied for second.

Men's Oratory: John Stewart, Pacific Lutheran U., first; Warren Derbridge, Idaho State College, second.

Women's Oratory: Ellida Kirk, University of Puget Sound, first; Linda Hingson, Portland State College, second.

Men's Interp: Fred Gunzner, Lewis & Clark College, first; John Stewart, Pacific Lutheran, second.

Women's Interp: Linda Hingson, Portland State College, first; P. Richardson, Lewis & Clark College, second.

Guest of honor at the banquet held in connection with the Joint Province Convention of the Missouri and Illinois Provinces was Dr. Robert C. Williams, President of Whitewater State College, Whitewater, Wisconsin. As a student at Central College, Pella, Iowa, Dr. Williams was a charter member of the Iowa Beta Chapter, and he is the holder of membership number 98 on Pi Kappa Delta's national rolls. For a further account of Dr. Williams' career and of his long-time interest in forensics, see the news story in this issue concerning his retirement at Whitewater and his succession by another member of Pi Kappa Delta.

THE LOCAL CHAPTER SHOULD—

Meet regularly.
Keep in touch with the National officers and with other chapters.
Erect a reporter and send news about itself and its members to the FORENSIC.
Report its new members to the Secretary on the regular application blanks immediately.

Bring changes in order and degree of all members up to date every year.
Send a chapter letter to the FORENSIC at least once each year.
Elect officers promptly and report them for publication in the FORENSIC.
Hold a banquet for all forensic students in the institution each year. (Make a hit with the Alumni by inviting them.)
Boost debate and other forensic activities at all times, and work constantly to raise the standard of achievement.
Spread information about Pi Kappa Delta among the forensic students of eligible institutions.
Send at least one delegate to the provincial and national conventions of Pi Kappa Delta.
Invite forensic alumni of eligible standing to graduate or alumni membership.
Elect to honorary membership members of the faculty who have already achieved distinction for ability before audiences.
Be on the alert at all times to strengthen the position of Pi Kappa Delta.
Cooperate with the department of speech in sponsoring forensic workshops and tournaments for high school students.
Give demonstration debates before school assemblies and civic clubs.
Take part in radio and television discussions and debates.
Cooperate with other departments in sponsoring special activities on the campus such as “good government week.”

Can all this be done by meeting once a year, or by allowing the officers to hibernate after the regular annual election?
Chapter Notes

UNIVERSITY OF MAINE

After an active fall debating season, members of the Beta Chapter of Pi Kappa Delta at the University of Maine sponsored two high school workshops, assisted with the annual high school debate tournament, and participated in an exhibition debate at Ricker College. Tournaments attended during the winter and spring include those at Harvard, Dartmouth, St. John’s University, Georgetown University, Boston University, M.I.T., District Eight Regional Tournament at Vermont, and the New England Forensic Conference at Southern Connecticut College. Spring Novice Tournaments which Pi Kappa Delta pledges attended were held at Norwich University and at Dartmouth. Plans are now being made for the annual banquet and initiation of seven pledges.

EASTERN ILLINOIS UNIVERSITY

After returning from Spring vacation, the Eastern Debate squad continued its season by attending the Illinois Intercollegiate Debate League Tournament held on March 9-10 in Greenville, Illinois. On March 21 four Eastern novice debaters tied for first place at the University of Illinois Novice Debate Tournament. The group, George Jordan, Gary Price, Don Grigsby, and Larry Grabb, tied with a 7-1 record. Other schools with a similar record were: the University of Indiana, Butler, and Evansville College.

On April 16-17 Don Grigsby, Larry Cramer, Danny Miller, and Larry Grabb will participate at the Pi Kappa Delta Province Tournament at Whitewater, Wisconsin.

On March 20, four new members were initiated into the Illinois Sigma Chapter of Pi Kappa Delta: Gary Price, Don Grigsby, Larry Cramer, and Larry Grabb.

MARIETTA COLLEGE

The Zeta Chapter of Pi Kappa Delta, located at Marietta College, has had thirteen student members and eight faculty members return for this academic year, 1961-1962.

Heading this group is president Jan

Gerald McGowan, Janesville, a member of Wisconsin Epsilon Chapter of Pi Kappa Delta at Whitewater State College, has been elected drum major for the Whitewater State College marching band for next year. A junior in elementary education, McGowan plays French horn in the college band when he isn’t debating. Drum major for two years at Janesville (Wis.) High School, he takes over the WSC baton from Pat Kelleher, Whitewater, who will graduate in June.

Feightner, a senior from Amherst, Ohio, who has been past vice-president of our chapter. Assisting Jan are Burton Wolfson, vice president; and Nancy Stevens, secretary-treasurer.

Again this year, debate is being offered as a course for interested students. In addition to this, several veteran squad members have returned to the forensic ranks.

This year we have a new faculty advisor and coach, Dr. Thomas Fernandez, a graduate of Marietta College.

Zeta has had a very active year and still has many other plans for this academic semester. The members of the debate team have attended the novice tournament at Lehigh, Women’s State; Buckeye Tournament, Novice Tournament at Akron University where Dave Nott took 2nd best speaker and Robert Lindberg and Dave
Nott took the best affirmative team award. A big event for the Zeta Chapter was Marietta’s annual Invitational Tournament, featuring a radio announcers’ contest. This tournament was held February 3, 1962 with fifteen other schools attending.

Marietta College has had a fairly successful season with a 500 per cent win and loss record.

IDAHO STATE COLLEGE

Members of the Idaho Gamma Chapter returned from the recent Province of the Northwest Convention and Tournament with several triumphs. Professor W. N. Corbin, Idaho State College Director of Forensics, was elected to a term as Province Governor. Several squad members also made a good showing in the speech competition events. Awards won include:

Floyd Anderson and Marlyn Elle—Undefeated 1st Men’s Debate
Ray Anderson—1st Men’s Extemp
Floyd Anderson—2nd Men’s Extemp
Warren Derbridge—2nd Men’s Oratory

Awards in earlier tournaments include:

Charles Falk—1st Salesmanship—Linfield
Ralph and Ray Anderson—1st Jr. Debate—State Tournament at the College of Idaho
Floyd Anderson—2nd Impromptu—University of Denver
Floyd Anderson and Warren Derbridge—Quarter Finalists at the Air Force Academy Tournament
Marlyn Elle and Meredith Goode—3rd Sr. Women’s Debate—Western Speech Assn. at Fresno, California
Ralph and Ray Anderson—2nd Jr. Debate—B.Y.U. Tournament

In the recent election Ray Anderson was chosen to succeed his older brother, Floyd, as President of the Idaho Gamma Chapter. Others elected were Ralph Anderson, Vice President; Carolyn Humphries, Secretary; and Warren Derbridge, Treasurer.

Two senior members of the squad are planning graduate work following the June Commencement exercises. Floyd Anderson plans advanced study in Speech Communication at the University of Kansas where he has been awarded a graduate assistantship. Tony DeGuilio will continue his studies in Law at Williamette University.

Greenville campus. Two schools, ISNU and the University of Illinois (Chicago), tied for the best tournament record, seven and one. ISNU was awarded the tournament trophy as a result of a higher team point total. Southern Illinois University placed third with six wins and two losses, thus giving Pi Kappa Delta schools the top three places in the tournament. The Illinois Chi Chapter of Greenville College sponsors and is responsible for conducting this tournament each year.

NEBRASKA WESLEYAN UNIVERSITY

The Nebraska Alpha Chapter at Nebraska Wesleyan University is concluding a very active season.

The largest squad in many years participated in eleven tournaments including meets in South Dakota, Kansas, Missouri, Illinois, Minnesota and Nebraska.

On campus, the chapter sponsored in October the annual Collegiate Discussion Conference with Dr. Orville Hitchcock, Iowa State University as guest lecturer; in January the annual Enid Miller High School Speech Tournament which attracted students from a four state area; in February the annual Wesleyan Collegiate Power-paced Debate and Oratory Contests and in March the Nebraska Intercollegiate Forensic Association State Tournament.

22
The intramural speech program has become an integral part of the forensic program. Over 200 students will have participated in at least one of the events—oral interpretation, original oratory, extemporaneous speaking, and after-dinner speaking.

Plans are underway to observe the 50th anniversary of the chapter throughout the next school year. Nebraska Alpha holds national charter number four which was issued on May 15, 1913.

Harold P. Sampson is Director of Forensics and chapter sponsor.

**NORTH TEXAS STATE UNIVERSITY**

The Eta Chapter of Pi Kappa Delta at North Texas State University is nearing the end of its most successful forensic year. In compiling the best debate record in school history, debate coach Dr. William R. DeMougeot and his assistant Don Beck, have used 32 students. The season record of 302 wins and 133 losses has netted 34 trophies, 19 medals for first place or superior ratings and at least six other superior certificates. This includes sweepstakes awards at five tournaments: Ada, Oklahoma; Amarillo; Winfield, Kansas; Abilene, Texas; Durant, Oklahoma (both junior and senior).

The squad’s number one team, Anne Hodges and John Swaney, has accumulated a 6-4-6 tournament record. Among their wins are first place at Southwestern—Winfield, Baylor and Northwestern University. They have also participated in two television series and at this time have advanced to the Semi-finals on the NBC show “Championship Debate” and to the finals on the “Young America Speaks” series in Texas. Miss Hodges and Mr. Swaney earned the right to compete at West Point on the basis of their season’s record and an 8-0 record at the District III qualifying tournament in March at Oklahoma City.

Twelve different members of the squad have earned first place debate prizes dur-
In addition, the squad has sponsored a Debate-of-the-Month on campus and has given several exhibitions. A total of thirteen topics has been debated.

UNIVERSITY OF ILLINOIS
AT CHICAGO

New members of Pi Kappa Delta this semester are Richard Froelke, William Poetsch, Robert Sebastian, Charlotte Rehling, Tim Hoffman, Dawne Wood, Norman West, Sue Wartell, and Britt Mattson-Boze. Several others are expected to join before the end of the semester.

At the start of the spring semester President Karen Jahnke supervised a booth at the dance and mixer for new students. Also in February the chapter sponsored social periods and refreshments for students and visitors when UIC was the host for the member schools of the Chicago Area. Acting Treasurer Ernest Kundert took charge of this project.

January began with the Illinois State Normal University Tournament, where Howard Gordon and Dave Kahn won five of six to reach the quarter-finals. There they lost a 2-1 decision to a team from Northwestern University which during the

LUTHER FORENSIC SQUAD—Pictured above are the members of the intercollegiate speech squad of Luther College, Decorah, Iowa. During the past five years Luther speakers have won three firsts and two seconds in the Annual Iowa Intercollegiate debate competition and two firsts and three seconds in sweepstakes.

A comparison with other colleges and universities of Iowa (all compete except the State University of Iowa) gives strength to the claim that Luther holds "the best record of any college in Iowa during the past five years."

Dr. Harold C. Svanoe is the director of forensics. Before coming to Luther in 1957, he directed forensics at Central College, Fayette, Missouri, and served as governor of the Pi Kappa Delta Province of Missouri for one term.
Dawne Wood and Karen Jahnke won one and lost three. Dawne was in her first tournament.

A week later in the nationally attended Northwestern University Invitational Kahn and Gordon won five and lost three, while Miss Wartell and Froelke won one and lost seven. Among the schools which UIC met were Dartmouth, Stanford, and Brigham Young—as well as leading teams from the Midwest.

The same weekend at the Purdue Novice Tournament John Bayalis and Bob Sebastian shut out the opposition with four wins in four debates. Frances Ross and Roy Ysla, both attending their first tournament, won one and lost three.

Two weeks later at the DeKalb Tournament Karen Jahnke won the first place trophy in after-dinner speaking and also placed seventh in individual scoring of 100 debaters in the varsity division. Bob Sebastian, who competed in extemopore speaking but did not place, also finished high in individual scoring. In the win-loss score, it was a split—Miss Jahnke and Tim Hoffman won four and lost two on the negative; Bayalis and Sebastian were 2-4 on the affirmative.

year won several major championships. Sue Wartell and Richard Froelke won one and lost five.

Between semesters Maurice Klein, varsity coach for the year, took the above four debaters on the longest trip ever taken by a UIC team. At the West Virginia University Tournament Miss Wartell and Froelke were undefeated, while Kahn and Gordon split six decisions. The combined 9-3 record gave UIC a tie for second place. Dartmouth College was first. Later that week at the Harvard University Tournament Kahn and Gordon had a 4-4 record, while Miss Wartell and Froelke won two and lost six.

Meanwhile at the Eastern Illinois University Varsity Tournament Bill Poetsch and Bob Sebastian split four decisions, while

MIDLAND COLLEGE—Pictured are four 1962 state champion debate teams from Midland College (Nebraska Kappa) who were all undefeated as their wins in 17 debates netted men's, women's and first-year debate division titles at the annual state contests of the Nebraska Intercollegiate Forensic Association. Seated left to right are Carol Kounovsky, Mariya Futch and Karen Myers. Standing from the left are Mike Horacek, Dave Baird, Ralph Petersen, Marvin Jensen and Bill Nelsen.

In addition to the debate honors, Miss Myers was named state champion in women's extemporaneous speaking; Miss Futchs was similarly titled in the first-year extemporaneous speaking division. Jensen was named state champion in men's extemporaneous speaking.
California Lambda at Los Angeles State College, California, was pleased to report the activities of Mike Greenspon, 1961 alumnus. Mike has been active with the Air Force in the Southern California area. While thus engaged, he has nevertheless found time to be an assistant in the Speech Clinic under Dr. Hal J. Bargalt at L. A. State. Also, not being able to get rid of the forensic bugs in his system, he has been of great help to Mrs. Agnes Horton, debate coach at Los Angeles High School. Not only has he taken the high school debaters on trips to tournaments, but also he arranged a series of exhibition debates by the Lambda Chapter for local high schools. Good flying, Mike.

Hugh S. Greer, Jr., 26, whose parents live at 8 Dog Lane, Storrs, Conn., recently was promoted to first lieutenant at Fort Hood, Tex., where he is serving with the 1st Armored Division.

Lieutenant Greer, a platoon leader in Company A of the division's 46th Infantry, entered the Army in October 1961.

A member of Pi Kappa Delta and Kappa Delta Pi fraternities, the lieutenant was graduated from Windham High School, Willimantic, in 1953 and received his bachelor of arts degree from Middlebury (Vt.) College in 1958. He was employed as a physical education teacher by Hunter College, New York, N. Y., before entering the Army.

Army Pvt. Jerry G. Whitford, son of Mr. and Mrs. Frank Whitford, Route 2, Carter, S. D., recently completed the disbursing specialist course at The Finance School, Fort Benjamin Harrison, Ind.

During the five-week course Whitford received instruction in the methods and procedures used in accounting for receipts and payments by Army finance disbursing offices. He was trained in such subjects as the payment of civilian and military personnel, travel allowances, commercial accounts, disbursing operations and general finance and accounting practices.

He entered the Army last October and completed basic training at Fort Chaffee, Ark.

MEET OUR DISTINGUISHED ALUMNI

Dr. Samuel G. Gates, dean of the Graduate Division at Colorado State College at Greeley, was chosen “Speaker of the Year” by the Beta Chapter of PKD.

The honor was announced at the annual banquet commemorating the 44th anniversary of PKD at Colorado State. Dr. Gates gave the main address in which he stressed the importance of person to person communication and the increasing use of the English language throughout the world.

Carolyn Webber, president of the Beta Chapter, in introducing Dr. Gates, referred to him as an outstanding spokesman for education and a popular classroom teacher. Dr. Gates joined the college faculty in 1946 as an instructor in social studies. Later, he served as director of the college’s Laboratory School. In 1949, he was named dean of the Graduate Division.

According to Dr. Ray L. DeBoer, the leader of forensic activities on the Greeley campus, the award to Dr. Gates was the third such distinction made by the speech group. The first was made to Norman Dean, executive president for the Weld County Bank, and the second to the Rev. Mr. Charles Young, rector of the Trinity Episcopal Church in Greeley.

Recognition to a long-time supporter of forensics at the College of Idaho at Caldwell was given this spring when members of Idaho Alpha of Pi Kappa Delta conferred honorary membership to Mr. I. A. Myers, pioneer insurance executive of Caldwell. For many years Mr. Myers has annually given a one hundred dollar scholarship to the student at the College of Idaho who has made the most outstanding contribution to the school's debate program.
Pi Kappa Delta School Wins National Contest

Wisconsin State College at Eau Claire, with Grace Walsh directing, topped thirty-two other entrants to win first place in the Eleventh National Contest in Public Discussion. The finals were held as a sectional meeting of the Central States Speech Association convention with Dr. Robert Jeffrey (Indiana University), Dr. Ralph Mckin (Southern Illinois University), and Dr. Ted Jackson (Illinois State Normal University) as judges.

Runnerup honors went to Iowa State University, Ames. The third place entrant was Berry College, Mt. Berry, Georgia.

Three PKD schools—Bradley, William Jewell, and the University of Detroit—reached the semifinal round and received certificates of excellence.

The contest is an annual event originated and sponsored by a PKD member and with headquarters at a PKD college. Those interested in participating in 1962-63 should write to Dr. Wayne N. Thompson, University of Illinois, Navy Pier, Chicago 11, Illinois, for information. The deadline for filing an entry will be November 15, and the deadline for shipping the tape recording will be December 1. Those wishing to participate should select a team of four or five undergraduates and prepare a 25-minute tape recording on the national discussion question.

Blessed is the man who, having nothing to say, abstains from giving us wordy evidence of the fact.

—George Eliot

ANOTHER PI KAP BEAUTY. If you do not already know her, meet Miss Jean Bowar, Miss South Dakota for 1961, and a member of the Delta Chapter at South Dakota State College, Brookings, S. D. Miss Bowar participated in debate at the 1961 National Convention in Stillwater, where she was awarded an Excellent rating. In the same year she took first place in Women's Peace Extemp at the South Dakota State Championship Contest.

Jean credits her work in forensics with helping her do so well in the question-answer part of the Miss South Dakota and the Miss America Contests. She has received an assistantship at Iowa State University for the coming year, where she will work for a Master's Degree in Home Economics.
