The President's Page

When as a little girl I complained about my big nose, my great-aunt Bet used to say, "It's what's inside that counts." This old-fashioned advice may still have some utility for those of us who direct speech programs, for sometimes it appears that externals are overshadowing basic purposes. (Students: Read on; you may be coaching in five years.)

In graduate school we wrote seminar papers about the goals of the extra-curricular speech program. "Forensics," we said, "should have as a goal the development of the student: he should emerge with an ability to analyze accurately, perform research thoroughly, organize material cogently, argue logically, convince and persuade effectively."

Two external factors of glamour and intensity sometimes intrude into our activities to such an extent that they obscure these educational objectives.

Admitted that undergraduates like to go where the action is; that any good forensic director will try to put some zest in his program. Nevertheless, in some cases glamour becomes the first goal. Witness giving a dozen trophies at early October tournaments, when beginning debaters have not had time to do adequate research and cannot by any standards be considered outstanding. Perhaps some upperclassmen are worthy of awards, but those of us who listen to early-season debates are often forced to give the decision to the "less worse" team, and not to truly meritorious speakers.

Spending lavishly for plane tickets and expensive motel accommodations is another form in which glamour takes precedence over common sense. Certainly air travel is in some cases the most economical transportation, and debate teams should not have to live like Spartans, but the coaches — and there are some — who run through their budgets before January 1 by lavish squad living, must have lost sight of what the forensics program should be doing in the long-term training of student minds.

A second threat to balanced programs is intensity. When I hear debaters remark in early November, "We've already been to five big tournaments," I wonder when those travelers go to class. A debater will not mature in one or two tournaments, but there must be a golden mean whereby he can participate reasonably in forensics and also have a well-rounded campus life. When two or four students from a given school are seen week after week all over the country, one questions whether any other students are getting the benefit of tournament experience, or whether the extensity of that school's program is limited to the "stars."

This intense excitement takes place at crowded tournaments where senior debate is held in church nurseries and there's neither time nor place in the schedule for lunch. Whatever your viewpoint about participation and program planning, surely we all want to put student welfare and enrichment first and give thought to the internal values of the activities we are performing.

Convention and Contest Rules

GENERAL

1. Each student and one faculty director of forensics from each college attending the convention must pay the $8.00 registration fee, the meal and lodging fees. Extra judges and wives of faculty members will not be charged the registration fee.

2. Each student delegate to the convention and each participant in the contests shall be a bona fide undergraduate student who has not already had four years of forensic participation and who is carrying a minimum of twelve hours of college work with passing grades at the time of the convention. He shall be a member of Pi Kappa Delta or shall have filed a membership application with the National Secretary and sent in his initiation fee.

3. All entries in convention contests must be sent to the National Secretary so as to show a postmark not later than February 24, 1967.

4. There shall be separate divisions for men and women in all events except discussion and the open cross-examination division of debate. Men and women will discuss together in the discussion event but their ratings will be tabulated separately for the purpose of determining awards at the conclusion of the convention. Gold medals will be awarded to winners of Superior ratings in each contest; certificates to those winning Excellent rating. Certificates will be awarded to the school for students who receive ratings of Superior and Excellent.

5. Certificates of “Superior” will be awarded to the 10 per cent of the chapters with the most points in men’s contests and to the 10 per cent of the chapters with the most points in women’s contests. Certificates of “Excellent” will be awarded to the next 20 per cent in each division. Those in the next 30 per cent will be rated “Good” but will receive no certificates. Points will be given in debate as follows: Superior rating, 10 points; Excellent, 8 points; Good, 6 points; participation, 2 points. Points won by a men’s team in the open cross-examination division will be credited to men’s sweepstakes. Points won by a women’s team will be credited to women’s sweepstakes. Points won by a mixed team will be credited equally to men’s and women’s sweepstakes. Sweepstakes awards will be made to colleges which have the highest total points in each of the men’s and women’s divisions. In extemporaneous speaking, oratory and discussion a rating of Superior will be given 5 points; Excellent, 4 points; Good, 3 points; participation, 1 point.

6. All contest arrangements not covered by the rules shall be in the hands of the individual contest committees and the Chairman of the Tournament Committee. Questions concerning any interpretation of contest rules should be directed to James Grissinger, Otterbein College, Westerville, Ohio 43081.

JUDGING

All competing chapters must provide at least one faculty member who is a qualified judge and who will accept his assigned service as outlined by the judging committee. Individual adjustments in that assignment will be made by the chairman of the committee. Chapters entering discussion and all three divisions of debate must provide at least two qualified judges. No college will be permitted to enter the convention tournament without providing a judge unless the delegation is limited to one student representative. No student member of the delegation will be permitted to serve as a substitute for a faculty judge. A college which cannot meet the requirements of this section or whose faculty representative feels that he cannot meet his judging assignments is requested not to enter the contests. A two dollar fine shall be imposed for each judging assignment not fulfilled. No results will be announced or
awards presented to schools whose judge fails to meet as judging obligations.

ORATORY

1. Contestants. Each Pi Kappa Delta chapter may enter one orator in the men's and one in the women's contest. All contestants must be present at the beginning of each round and remain until the contest has been concluded.

2. Orations. Orations shall contain not more than 150 words of quotations. The length of orations shall not exceed 1,300 words. (Total word count.) All quotations shall appear definitely as such in the manuscript. All orations must be the original work of the contestant. The orations shall be memorized and delivered without notes. The reading of orations from manuscripts shall be prohibited. Each orator shall bring two typewritten copies of his oration to the national convention. One copy shall be presented to the National Secretary of Pi Kappa Delta at the Convention Registration desk on March 27, and one copy shall be presented to a judge at the beginning of at least one of the rounds of oratory. The oration delivered in the contest must conform to the manuscript submitted. The manuscript presented to the National Secretary will not be returned.

3. Contests. The contests shall be held simultaneously, the number of such contests being determined by the number of contestants entered, it being provided that not more than six speakers shall appear on one program. Each orator shall appear in four rounds.

4. Method of Judging. Three judges shall be appointed in each contest. Each judge shall rank only the three highest ranking speakers, first, second, and third. In tabulating the results, all other speakers in each contest will be given a ranking of four. No judge shall tie two speakers for first, second or third places. The judges should write comments on the forms provided, but should not reveal their decisions.

5. Rankings. The orators ranking in the upper 10 per cent will be rated “Superior”; those in the next 20 per cent will be rated “Excellent”; and those in the next 30 per cent will be rated “Good.”

EXTEMPORANEOUS SPEAKING

1. Contestants. Each Pi Kappa Delta chapter may enter one speaker in the men’s and one in the women’s contest. All contestants must be present at the beginning of each round and remain until the contest has been concluded.

2. Urban Problems in the United States is the general topic for use in the extempore contests. A subdivision of the general topic will be used in each round as follows: Round 1, Economic; 2, Sociological; 3, Transportation; 4, Government.

3. Sub-topics. The contest committee shall arrange for the securing of sufficient and suitable sub-topics for each of the four areas.

4. Drawings. One hour before the time of speaking in each contest, the contestant shall draw by lot for a sub-topic. It is expected that the speech will be prepared by the student without the assistance of anyone.

5. Contests. The rules for these contests shall be the same as those for oratory.

6. Length of Speeches. Speeches shall not be more than six minutes. Each speaker shall be given a warning by the timekeeper at the expiration of five minutes.

7. The Question Period. Each speaker shall be asked one pertinent question by a judge at the close of his original speech. The speaker must answer this question impromptu; maximum time for the answer, two minutes.

8. The Method of Judging. The method of judging shall be the same as for oratory.

9. Ranking. The method of ranking shall be the same as for oratory.

DEBATE

1. Each Pi Kappa Delta chapter may enter one team in the men's division, one team in the women's division, and
one team in the open cross examination division.

2. Substitutions. There may be free substitution of debaters from round to round providing the names of those to be used are included in the entry lists.

3. Question. The proposition for debate shall be, Resolved: That the United States Should Substantially Reduce Its Foreign Policy Commitments.

4. Speeches in Men's and Women's Division. Each debater shall have two speeches, one of ten minutes and one of five. The affirmative shall introduce the constructive and the negative shall introduce the refutation speeches.

5. Rounds. All teams will take part in eight rounds of debate, the pairings of which are to be arranged by the contest committee and posted from round to round.

6. Sides. Each college must debate both sides of the question, having an equal number of affirmative and negative debates.

7. Decisions. Decisions will be rendered by single judges, who may comment on the debate but who should not announce their decisions to the debaters.

8. Rankings. Both team ratings and decisions will be taken into account in determining awards. All teams winning all or seven of the eight rounds shall be declared “Superior” teams regardless of their proficiency ratings. All teams with a rating of from 4.5 to 5.0 shall also be declared “Superior” teams provided they have won at least four debates. All teams winning six of the eight rounds shall be declared “Excellent” teams regardless of their proficiency ratings. All teams with a rating of from 4.0 to 4.49 shall also be declared “Excellent” teams even though they may have won fewer than six debates. All teams winning five of the eight rounds shall be declared “Good” teams regardless of their proficiency ratings. All teams with a rating of from 3.5 to 3.99 shall also be declared “Good” teams even though they may have won fewer than five debates.

9. Drawing. In order to avoid a pairing in which strong teams will meet only weaker teams, every fourth team will be seeded on the basis of performance earlier in the year. Under this plan every team (including every seeded team) will meet two seeded teams and two only during the course of the eight rounds. Ratings of various colleges shall be determined by the Debate Committee with the assistance of the Province Governors and qualified Pi Kappa Delta members in the respective areas.

10. Open Cross Examination Division. In this division each school may enter one team which may consist of men, women, or mixed groups. Teams will be bracketed for eight rounds and given ratings based on their record of wins and losses, and team ratings as in the other divisions.

The following order of speaking will be used in the Open Cross Examination Debates:
First affirmative constructive speech 9 Min.
Negative question period 4 Min.
First negative constructive speech 9 Min.
Affirmative question period 4 Min.
Second affirmative constructive speech 9 Min.
Negative question period 4 Min.
Second negative constructive speech 9 Min.
Affirmative question period 4 Min.
Negative summary speech 5 Min.
Affirmative summary speech 5 Min.
(Each debater must conduct one question period.)

DISCUSSION

1. Subject. What should be the policy of the United States toward Communist China?

2. Procedure. There will be four rounds. Each of the four rounds shall have a maximum time limit of one and one-half hours.

Round I. Definition and delineation stage. (What is the nature, extent, and significance of the problem? What terms of the discussion question need defining?)
Round II. Problem — analysis stage. (What are the probable causes of the problem? By what criteria should probable solutions be measured?)

Round III. Solutions stage. (What possible solutions are there? What is the best solution for the problem? Use criteria for evaluating and eliminating solutions.)

Round IV. Solutions stage. (Continue evaluation of solutions.)

3. Discussion leader. A discussion leader shall be appointed by the Discussion Contest Committee for each section of Round I. At the conclusion of Rounds I, II, and III, the members of each section shall elect one of their members to serve as the discussion leader for the following round.

4. Participants. Each Pi Kappa Delta chapter may enter one man and one woman student in discussion. Men and women will discuss together but their ratings will be tabulated separately for the purpose of determining awards at the conclusion of the convention.

5. Judging. A faculty observer will sit with each section. It shall be his function to check attendance, serve as a guide in procedure, and evaluate the participants. The faculty observer shall evaluate each participant on his knowledge of the discussion question, his use of critical thinking; and his cooperation with other members of the group. Also, all sections shall be observed by a panel of five traveling judges. Each of the five traveling judges will spend a minimum of fifteen minutes with each section. It shall be the function of the traveling judges to compare and evaluate the quality of work being done by the sections they visit. Each member will receive the average evaluation awarded by the traveling judges for his section. At the conclusion of Round IV, each participant will complete an evaluation for each member of his section. Each participant's final score will consist of the sum of the evaluations awarded him by the faculty observers (66 and ______ per cent), the evaluation awarded his section by the traveling judges (16 and ______ per cent), and the average of evaluations given by the members of his section (16 and ______ per cent). Faculty observers will use a different rating scale for evaluating discussion leaders and discussion participants.

6. Ranking. The discussion participants ranking in the upper 10 per cent will be rated “Superior”; those in the next 20 per cent will be rated “Excellent”; those in the next 30 per cent will be rated “Good.” Men and women will be ranked separately at the conclusion of the convention. Students must participate in each of the four rounds to be eligible for a final rating.

The subscription price of the magazine shall be fixed by the National Council.

1. The National Secretary shall keep a Grand Catalog of the names of members of Pi Kappa Delta, with a record of their Orders and Degrees at the time of initiation. The President of each Local Chapter shall send this information annually, or oftener if requested, to the Secretary on the official catalog forms. Names shall not be entered in the catalog or carried by the Secretary until all application blanks and dues have been received.

ARTICLE IX—NEW CHAPTERS

1. Petition for Local Chapters. The Petition shall be made on the official blank. It may be received by any member of the society, but shall be forwarded to the Chairman of the Charter Committee. The petition shall be accompanied by a catalog of the college or university represented by the petitioners. (In case of Graduate chapters no college information blanks, etc., shall be required.)

Upon receipt of the petition the Charter Committee shall make a thorough investigation of the academic and forensic standards of the petitioning institution. It shall ascertain the attitude of the Local Chapters in the province in which the petitioning institution is located.

Amendment 89. Article IX, Section 1, lines 5 and 13. Insert after “Charter” the words “and Standards,” so that it reads “Charter and Standards Committee.”

2. Unless an amendment incorporates its own effective date, it shall be effective on August 1, following its adoption.

ARTICLE XII—EMERGENCY

When, by a three-fourths vote, the National Council shall determine that an emergency exists of such gravity as to make the holding of a national convention impossible or impracticable, then and in that event, the National Council may, by a two-thirds vote take any action necessitated by such emergency, notwithstanding anything contained in this constitution; provided, however, that any ten chapters may by joining in a written request to the Council, initiate a referendum of the chapters on any action taken by the Council hereunder.

Amendment 91. Article XI, Section 2, line 3. Strike “August” and substitute “June.”
The twenty-fifth national convention of Pi Kappa Delta promises to attract a record number of colleges and participants. Early estimates made by the one hundred chapters submitting their vote on extemopore subjects indicated only one chapter definitely not planning to attend the convention. Eleven others were not certain as of November. The estimated representation from these one hundred chapters was five hundred and twenty delegates. I believe we can count on seventy-five additional chapters and a total of at least nine hundred delegates.

I would like to point up a few items of special importance as convention time draws near.

Attendance — Chapters not in attendance at Tacoma in 1965 will note Article V, Division A, Section 13 of the constitution in regard to convention attendance. Any chapter failing to have a delegate at two consecutive national conventions shall be placed on probation. Attendance is defined as answering present to roll call at not less than two business sessions of the convention and one of these must be the final session.

Convention and Contest Rules — Registration at Whitewater will proceed more smoothly if everyone will study the rules carefully. Note the requirements for number of judges, the entry of mixed teams in debate, the copies of orations and the convention fees. Check the eligibility of all contestants.

Entry Forms — These will be mailed from the national office on January 25th. You will be asked to return the requested forms so they are postmarked not later than February 24th. Send the entry form to the national office and send the meal and housing reservation form to Whitewater.

Registration — The registration desk will open in Whitewater at 8:30 a.m. on Monday, March 27 and it will close at 6:30 p.m. The effective work of our contest committees demands that we enforce this deadline. Make your travel arrangements in time to check in before 6:30 p.m. Most of our chapters sponsor one or more tournaments and know the problems encountered by late entry forms and late registrants. Use the phone if you cannot avoid a cancellation or a late arrival.

Voting Delegate — If you haven't already appointed your official voting delegate, now is the time. It is the responsibility of each chapter to have a well-informed delegate. Considerable attention should be given to reviewing the basic information concerning the purpose and organizational structure of Pi Kappa Delta. Only by conscientious preparation in advance can a delegate represent his chapter effectively on the floor of the assembly.

Charter Presentation — On Monday evening charters will be presented to several new chapters and to some which are being reactivated. Also, we expect to present the first charters to a few Graduate Chapters. This occasion is important not only to the new chapters but to all of us. We should make a special effort to be on time for the 7:00 p.m. assembly to welcome them into Pi Kappa Delta.
CHAPTER NOTES

MIDDLE TENNESSEE STATE UNIVERSITY

The MTSU Debate Squad has begun the ’66-’67 season on a winning note. The squad finished as the only undefeated team in the varsity division of the tournament conducted by Mississippi State University (see enclosed picture), winning the first place trophy. The team of Gail Colebrooke and Janet Brown finished as the top affirmative team while the team of Bob Freeman and Gary Bickford finished as the top negative team. All four debaters won superior ratings as speakers. The following week, the team of Freeman and Bickford rated as the top affirmative team in the tournament conducted by Western Kentucky University, but lost in the finals to Murray State University’s first place negative team — thus finishing 2nd overall in the tournament.

Other tournaments attended through the month of November included the Mid-Continent Debate Tournament at Rockhurst College in Kansas City, the Dixie Debate Tournament sponsored by Mercer University in Macon, Georgia, and an exhibition debate with the Atlanta “Feds,” a debate team composed of two inmates of the Federal Penitentiary in Atlanta, Georgia.

Tournaments remaining on the schedule for this year include trips to Greenville College (Illinois), Harding College, Vanderbilt University, Murray State University, Spring Hill College (Mobile), and the national PKD tournament. MTSU is sponsoring two tournaments — the annual MTSU Junior Tournament for relatively inexperienced debaters, and the tournament of the Tennessee Intercollegiate Forensic Association.
UNIVERSITY OF MAINE

Last year was the most successful in the history of University of Maine forensics. Maine debaters participated in 210 decision debates against over 90 different schools, winning 126 while losing 84 for a winning percentage of 60%. With last year’s young squad back intact, Maine, in its first tournament at B.U., came home with a second place trophy. Things certainly are looking good for this year.

This year’s officers of Maine’s Beta Chapter of Pi Kappa Delta are: Howard Cody, President; Larry Cole, Vice-President; Charles Spencer, Sec.-Treas.; and Bruce Fleming, Corresponding Sec. Our chapter has planned a fund-raising dance for after Christmas vacation and is now making arrangements for a “big name” concert this spring. A big portion of this money will be used to insure our sending a large delegation to White-water in March.

WISCONSIN STATE UNIVERSITY

PACIFIC LUTHERAN UNIVERSITY

The Washington Epsilon chapter of Pi Kappa Delta started the year off with the annual High School Student Congress. Pi Kappa Delta president and Congress Director, Lynn Still headed a steering committee of three and a total force of some 40 students from the debate squad and the Pacific Lutheran student body. The congress, where students write, debate, and vote on bills in the same manner as the Federal Congress, has been nurtured by Professor Karl these past 18 years till there are now 150 participants and 150 observers yearly. The project is taken on by the chapter in an attempt to provide high schools with an insight to the legislative processes and to offer speech squads a varied bill of tournaments.

The chapter is currently investigating the possibilities of a standing committee of members to aid the forensic programs in different local secondary schools. The members would aid the high schools in either the inspiration or the growth of speech activities.

With the deadline nearing for amendments to the national Pi Kappa Delta constitution and with Professor Karl serving as the head of the revision committee, the local chapter plans to take up the discussion of the new constitution in January. Also in January, Pi Kappa Delta will sponsor a campus-wide oratorical contest. Chairmen Bob Klavano and Mrs. Paula Cowley will direct the tournament which gives students a chance to present their views on a topic in a persuasive manner and to win a little cash to ease the long cold winter.

With the activity calendar rapidly filling, the Washington Epsilon chapter wishes all her sister chapters the best as they embark on the new year of 1967.

Elected to serve as president of the Wisconsin Epsilon Chapter of Pi Kappa Delta for the second semester of this school year and the first semester of next year was Stephen Dickmann, who is currently serving as one of the two student representatives to the National Council. Also elected at the December meting were Roy Leschinsky as vice president, Beverly Kaeser, who was re-elected as recording secretary and treasurer, Dan Niemuth as corresponding secretary, and William Thompson as parliamentarian.

New members recently accepted as members of the Epsilon Chapter are William Thompson, Judethe Kaye Verhaalen, and Timothy E. Laatsch.

Highlights of the year thus far have been the Keynoter Tournament in October, and the Pre-Christmas Tournament held on December 9 and 10 which saw 34 schools represented on this campus. Carrying home first and second place honors in the varsity division were
the University of South Dakota and Purdue University respectively while top winners in the novice division were Kansas State University, Manhattan, Kansas, and Indiana University, Bloomington, Indiana.

The Robert C. Williams Top Speaker Award was presented Jane Hydahtl of the University of South Dakota. This award is presented annually to the top speaker in the varsity division.

All our attention is now being focused on making the National Convention the best ever held, and we sincerely look forward to seeing all Pi Kappa Delta members in Whitewater for the 1967 National Convention.

**ADAMS STATE COLLEGE**

In May of this year the Colorado Delta Chapter of Pi Kappa Delta initiated twelve new members. They are Don Moon, Ralph Turano, Cynthia Anderson, Connie Garrett, Carlos Suarez, Warren Cheery, Dennis Grenemeyer, Ronald Inouye, Judi Tuxhorn, Sue Evans, and Steve Page. Later this year John Maestas became a member.

Also in May was the Annual Pi Kappa Delta Banquet at which time Dr. Fred J. Plachy, retiring president of Adams State College, was honored guest. Steve Page, past president of Colorado Delta Chapter, presented Doctor and Mrs. Plachy with a fine gift.

This fall new officers were elected which included Ralph Turano, president; John Maestas, V. P.; Judi Tuxhorn, secretary; Sue Evans, treasurer; and Dennie Grenmeyer, corresponding secretary.

At the present time the chapter is busy preparing for the Annual Adams State College High School Forensics Festival to be held March 3 and 4, which is expected to be one of the largest tournaments in the region.

The chapter is also busily engaged in fund raising to care for the cost of attending the Pi Kappa Delta National Convention in Whitewater, Wisconsin.

The advisor for the Colorado Delta Chapter is Dr. Grant M. Herbstruth, Director of Forensics at Adams State College, Alamosa, Colorado.

**CENTRAL MICHIGAN UNIVERSITY**

Our roll of members carried over from last year shows twenty-six members. To this were added eleven new members at our December Christmas party; the initiation followed a delicious pork chop dinner. Our local chapter has decided to take in oral interpretation students and four readers were added to our chapter at this event. In addition three speech faculty members were initiated in the order of instruction: Dr. Melvin Donaho, Dr. Bill Skillman, and Mr. John Butts. Members were urged to participate in the annual CMU oratory contest in January.

**KEARNEY STATE COLLEGE**

Nebraska Zeta Chapter, at Kearney State College hosted a fine six state debate and speech tournament, on the Kearney campus, November 4 and 5, 1966. Feature of the tournament was the presentation of the Harold L. Ahrendts Traveling Trophy, which was established this year in honor of Dr. Ahrendts and his long service to Pi Kappa Delta and to the speech program at Kearney State College.

Nebraska Zeta Chapter will host Nebraska's largest high school speech and debate tournament, on the dates of January 6 and 7, 1967. Mr. Robert Kunkel, Director of Forensics and Mr. Don Tibbetts, Associate Director of Forensics, have charge of this event on the Kearney campus.

Kearney speakers and debaters are experiencing another active year with approximately twenty tournaments being attended. The Nebraska Intercollegiate Forensic Association Tournament, which is an annual contest, will be held on the Kearney campus this year in the month of March.
Alumni News

BOWLING GREEN STATE UNIVERSITY

ILLINOIS WESLEYAN UNIVERSITY

The continuing quest — an answer to the question: What do ex-debaters do for a living?

Added evidence comes from Illinois Wesleyan.

Darby Eubank Brackenhoff is now teaching speech in Enid, Oklahoma.

Mary Dell Chilicote works in the personnel department of Marshall Field & Company in Chicago.

Richard McClannahan is a commercial pilot for United Airlines.

Dave Norris is working for the Normal State Bank in Normal, Illinois.

LINFIELD COLLEGE

How far west can you go and still do graduate work in the United States? "Hap" Mahaffey has the answer:

Three of our grads, Dennis and Edwina Alexander, and Paul Butcher, are at the University of Hawaii this year. Satwant Goel is at the University of California, Santa Barbara.

Craig Singletary of the faculty has an N.D.E.A. fellowship to work on his doctorate at the University of Oregon. He is being replaced by Robert Chamberlain, formerly of Cascade College. Two former part-time instructors are back assisting in Fundamentals. Marilyn Reiher, who finished her degree at Temple University, is taking the Forensic job at the University of Puget Sound.
Dick McCann is working for the Bureau of Reclamation in the state of Washington, Otto Larsen is a public school teacher in South Dakota, Dave Traxler is working in Oregon, and Jenni Gebhart married and is living in Bozeman, Montana, where her husband Herb Aley is attending college.

SIOUX FALLS COLLEGE

South Dakota Epsilon is energized by a hot man-wife duo. Dr. Perry W. Patterson is chairman of the Department of Speech and Drama, while Mrs. P (Mary Alice) is Director of Forensics.

It is no wonder that their graduates "are doing well for themselves, and for others we trust."

Bruce Rickerson (SFC, 1966) is Director of Forensics at the Parker High School, Parker, S. D.

Ray Novak (SFC, 1966) is teaching speech and drama at Humboldt, S. D. High School.

Phyllis Bartels Kirschenmann (SFC, 1966) is teaching speech at Freeman, S. D. High School.

Mary Alice noted that "We are also proud of Paul Sorenson, another Pi Kap member, who has been privileged to spend his Junior Year Abroad at the American University at Beruit, Lebanon. We look forward to having him back in 1967-68."

UNIVERSITY OF SOUTHERN MISSISSIPPI

Five seniors, and members of Pi Kappa Delta, entered graduate school this fall. Martha Johnson is a graduate assistant at Auburn. Jesse Delia and David Swanson are at the University of Kansas. Paula Price is a graduate assistant in debate at Florida State University as is Danny Smith at the University of Southern Mississippi. Harry Mills is Director of Forensics at William Carey College while working on a master's at Southern.
The directory is as accurate as the information we have permits it to be. If the chapter line is blank, the secretary had received no reply to his request for this data by the time the material was sent to the editor.
