Mr. and Mrs. George Lawrence
1226 Van View Court
Wichita, KS 67204

Dear Friends:

Your recent generous gift to help provide the power required for KTJO to meet the FCC mandate is greatly appreciated.

Your contribution means even more, since we know that you understand how well the radio station fills needs in the program of student activities, and are aware of the experience which students gain from this activity.

The campaign is in the first stages, but we are pleased with the early response, and feel certain that our efforts will be fully rewarded.

I look forward to seeing you again soon. Sorry that I missed being in Wichita for the good supper and ball game, especially since I have learned that you both were there and that it was a wonderful evening.

Cordially,

Jack E. Patty
Vice President for
University Relations
