Dear Sam:

leave out
Thank you for your recent gift for the new equipment for KTJO.
(This completes your much appreciated pledge, and) a receipt for \$300¹⁷⁵
is enclosed for your records.

The fund is not complete, but will be included in the coming capital funds campaign to start sometime in this fiscal year. The University has permission to continue to broadcast, inasmuch as the effort is being made to meet the requirements, and an application has been filed. We are pleased with this, and with the fact that gifts are continuing to be received.

Thank you again. You have helped to emphasize that KTJO did "make a difference."

Cordially,

Jack E. Patty
Vice President for
University Relations
