On February 25, 1993, the Ottawa University Student Senate held an Emergency Meeting. The subject of this meeting was the possible allocation of funds for the Campus Radio Station.

In an unanimous vote, the Senate agreed to allocate \$5,000, to come from the Campus Improvement Fund, for use by KTJO-FM in procuring the items needed to complete the change to an FM station. These funds are to be made available to KTJO as soon as possible.

Good luck to the station in your undertaking this transition!

Sincerely,

Bryan K. Schmitt
Student Senate President
