Mr. Charles G. West,
Emporia Lumber and Coal Co.,
Corner Fourth and Merchant,
Emporia, Ks.

My dear Mr. West:-

We had an especially fine Board meeting a week ago Tuesday. I am enclosing a copy of some tabulated facts bearing upon the budget for 1926--27. I may say that the Board increased this Budget by \$1,000, on the ground that they thought it might not be possible to secure the assistance we need in Physical Education with the salary which I had listed, namely, \$2,000.

Best wishes to you.

Yours truly,
