

OFFICE OF THE VICE PRESIDENT
WASHINGTON

October 17, 1960

Dear Mr. Kloster:

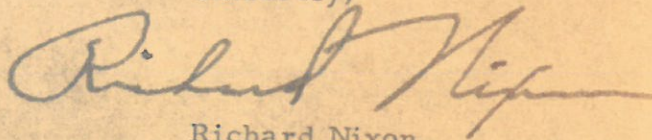

Mrs. Nixon and I greatly enjoyed being in Kansas City during our second week out on the campaign trail, and we were deeply touched by the friendly hospitality which was extended to us in such large measure on this occasion.

The visit turned out to be a truly memorable one for us, and we wanted to thank you for the part you played in making it so.

Band music is a particular favorite of ours, and we certainly appreciated being treated to the fine performance turned in by the Ottawa University Band.

With every good wish to you and to each of the talented musicians under your direction,

Sincerely,

Richard Nixon
