

The Ottawa University Women's Club

November, 1984

To Parents of Ottawa University Students:

Again this year the members of our club are offering our CARE service. The purpose is two-fold: the pleasure of doing something special for students, and increased funding for our Marjorie Martin Scholarship for OU women. Mrs. Martin was the wife of Dr. Andrew B. Martin, president of Ottawa University from 1935 until 1967.

Our committee gives special care to preparing favorite treats for the students, and those who deliver the packages get that special smile that acknowledges your "hug from home." Our love goes into every cookie!

Home-baked items will fill orders for any occasion -- birthday, test week, or Valentine's Day, for example -- and your message will be included.

Our prices are:

Brownies (1 dozen)	\$1.75
Cookies	1.00
Cup cakes	2.25
Cake	4.00
Fruit Basket	5.00
Care Package	6.00
(fruit, cookies, and miscellaneous treats)	

Use the following blank and send your order and check to:
