

August 1989

Dear O. U. Woman,

Come celebrate the fiftieth anniversary of the O. U. Women's Club! Brunch will be served Saturday, September 9th, at 9:30 a.m. at Alice Jo DeFries', 1526 Apple Lane.

The O. U. Women's Club gives women employed by the University and wives of male employees an opportunity for camaraderie and service to the University. Our monthly programs, generally on the first Tuesday of the month, feature Ottawa University students, faculty and staff and offer opportunities to learn more about what's happening at O. U.

Our main project is the Marjorie Martin Scholarships which we award to several women students each year. We fund the scholarships by our \$5.00 annual dues and our baking for student care packages which parents order. This year we are providing five scholarships of \$200.00 each. If you cannot attend meetings but would like to help with the scholarship project, please send you \$5.00 to Norma Bird, O. U. Box 4.

We hope you'll be able to join the festivities September 9th when we will honor and hear from former scholarship recipients and commemorate fifty years of friendship, service and sharing the O. U. spirit.

Sincerely,

The O. U. Women's Club Officers

President, Jane Ann Westrum
First Vice President, Corkie Hedlund
Second Vice President, Janice Trigg
Secretary, Judy Ferguson
Treasurer, Norma Bird
