The joint

enclosed news

release was sent

to the two local

and three major

regional papers,

The ABC, KBC,

Rocky Mountain, Great

River, and Mid-

American Baptist
Churches. The
second went to
KOFO and eleven
regional TV stations.

Pictures were not
sent since we could
not locate you at
the pictures at the
time. I do have
the pictures now

I will supply Ben
Zambert with one.
Do you have other
wishes as to their
use? Your secretary
mentioned making
extra copies for use
around town. I'll
be glad to do this
if you'll tell me
how many you want.

Rpt 2.23.276

I've also received
the posters, but
I can't understand
how radio & TV
stations would make
use of them. What's
your thought?
