A CHECKLIST OF HIS PUBLISHED WORKS

ISSUED IN HONOR OF HIS EIGHTIETH BIRTHDAY
NOVEMBER 14, 1980

LIST 812 – October, 1980

JERONA MUSIC CORPORATION
81 TRINITY PLACE
HACKENSACK, N.J. 07601
This catalogue was compiled in honor of the 80th birthday of Aaron Copland which will be celebrated throughout the musical world on November 14, 1980. Perhaps no composer of his generation did more than Copland to carve a niche in the international concert repertoire for uniquely American concert music. It is in appreciation of his unique role in our musical history that we respectfully dedicate this little checklist to its subject.

JERONA MUSIC CORPORATION
October, 1980

The compilation of this catalogue would have been quite impossible without the knowledgeable assistance of John S. Pope, Sales Manager of Boosey and Hawkes.

Only works available for sale are listed herein. Those works which remain unpublished or for which all materials are only available on rental have been intentionally excluded.

The listing that follows is in alphabetical order. The year of composition is in parentheses following the title. While all articles have been ignored, cardinal numbers that form part of the title have been retained in the alphabetization. As a result, Three Latin-American Sketches is found under ‘T’ and not under ‘L’.

Finally, with a few significant exceptions, the arrangements listed herein are those of the composer himself. This is purely an editorial decision on the part of the compiler and should in no way be considered as casting aspersions on the many fine musicians who have collaborated with the composer in making these arrangements. The usual caveats concerning accuracy of prices and availability apply to this catalogue.
