

Chiles: Rev. J. A. Her. He has been a faithful pastor and an earnest worker in the Association for more than twenty years. Bro. Her was born in Canada in 1835; converted at the age of 21 and ordained in 1874. He labored in Canada for eight years. He moved to Kansas locating near Osawatomie in 1882. He served the Association as Missionary for some time and organized several churches. He was at different times pastor of a number of churches in the Association. He died September 11th, 1907 and was buried in the Rubama Cemetry.

In view of the \$30,000.00 indebtedness caused by missionary operations, we urge that each church contribute at least her apportionment and as Baptist Publications are the very best, we further urge their purchase and use in preference to all others.
