Issued four times a year, in October, January, March and May. Entered as second class matter October, 1952, at the post office at Nashville, Tennessee, under act of August 24, 1912.

SERIES 38 MAY, 1953 NO. 4
All members of Pi Kappa Delta should be interested in the minutes of the business session held at the national convention. While the national officers are the official administrators, it is the action of the delegates at the national convention who elect the administrators and establish the policies that govern PKD. There have been some changes made in procedures and in the constitution that all PKD’s should know. Don’t fail to read this important section.

Proceedings of the Eighteenth National Convention of Pi Kappa Delta

Kalamazoo College, Kalamazoo, Michigan
April 5 - 9, 1953

First Business Session

The first business session of the convention was called to order by President Roy Mahaffey at 8:40 p.m. April 5. One hundred six chapters answered present to roll call. President Mahaffey introduced various convention officers and committee chairmen who made announcements regarding convention and tournament procedure and details.

After a brief and well-chosen introductory remarks the president called to the platform representatives of the following chapters installed since the 1951 convention and presented to them the official charters of Pi Kappa Delta:

Chapter No. 220. Illinois Chi, Greenville College.
Chapter No. 221. Washington Zeta, Western Washington College of Education.
Chapter No. 222. Louisiana Epsilon, Northwestern State College.
Chapter No. 223. Middle Tennessee State College.
Chapter No. 225. Washington Eta, St. Martin’s College.
Chapter No. 226. California Theta, Pasadena College.
The meeting adjourned at 9:30 p.m.

Second Business Session

The second business session was called to order at 10:15 a.m. Tuesday, April 7. Announcements were made concerning items on the convention program and of meetings of important convention committees.

The president announced the appointment of Clayton D. Ford, The Principia, as Convention Parliamentarian.

The chair called for the report of the Committee on Nominations which distributed ballots for the election of President and Vice-president. Ballots were deposited on roll call which showed 112 chapters were present and voting.

The chair called for the report of the charter and Standards Committee. The report was presented by D. J. Nabors, chairman. The committee recommended:

1. That a charter be granted to Abilene Christian College, Abilene, Texas. On motion the recommendation was approved.

2. That a charter be granted to Chico State College, Chico, California. On motion the recommendation was approved.

3. That the charters of the following chapters be revoked:
   Iowa Zeta, Parsons College; North Carolina Alpha, North Carolina State College; Texas Gamma, East Texas State College; South Carolina Epsilon, The Citadel; Ohio Theta, The University of Toledo; Pennsylvania Beta, St. Vincent College; Kansas Iota, College of Emporia. On motion the recommendation was approved.

4. That the following chapters be continued on suspension for a period of two years at
the request of the presidents of the colleges concerned.

West Virginia Alpha, West Virginia Wesleyan College; Texas Beta, Trinity University. It was moved that the recommendation be approved. It was moved to amend the motion by adding the requirements that the two chapters attend the next province and national meetings and acquire an annual travel budget for forensics of one thousand dollars. It was moved to table the amendment. The motion was declared out of order. The previous question was moved and carried.

By common consent the amendment was divided. The addition of the requirements of attendance at the next province and national meetings was passed. The portion of the amendment requiring a forensic budget of one thousand dollars was defeated. The main motion as amended was carried.

5. That the following chapters be suspended for a period of two years:
   Kansas Eta, Kansas Wesleyan College; Iowa Nu, William Penn College; California Epsilon, University of California at Los Angeles; Arkansas Delta, Arkansas State College. It was moved that this recommendation be tabled until after the report of the Committee on Constitutional Revision. Carried.

President Mahaffey called on the secretary-treasurer who presented the following report:

Report of the Secretary-treasurer to the Eighteenth Biennial Convention of Pi Kappa Delta

First of all, let me talk about finances and membership. I wish that I might have brought with me some charts which would have presented in graphic form some information which I think has significance. Our expenses, except for the national convention, are met entirely by membership fees. We need a minimum of 1,000 new members per year to operate on our present budget and maintain our reserves, which amount to $4,000.00, about $1,500.00 less than a year ago.

In 1923–24 (29 years ago) we initiated 900 members; in 1925–26, 1,047; in 1926–27, 960. In 1928–29, (24 years ago) with only 127 active chapters we initiated almost 900 members and took in fees amounting to $4,936.00. In 1951–52 with 180 chapters we initiated 778 members and took in fees of $3,735.00. Ten years ago in 1942 at the beginning of the war we had a fee income of $3,760.00. We have been under 1,000 member additions since 1949.

The membership fee was raised from four to five dollars in 1928–25 years ago. It has remained constant since that date. Can you name anything else that has?

The two major annual items which are paid for from the fee income are the office expenses and the Forensic. A third item, printing charges, varies; some years it is heavy and others light. In 1928–29, the expenditures for secretarial allowances in the secretary-treasurer’s office and for the president amounted to $1,603.58; in 1941–42, $1,600.00; last year, $1,582.58. We had two heavy years preceding when we bought some much needed office furniture and equipment. You know what has happened to hourly wage rates on college campuses in the past twenty-five, ten, and even five years. The Forensic cost has gone from approximately $1,500.00 in the earlier years mentioned to probably $2,300.00 this year. Postage, printing rates, supplies of all kinds have felt the blow of inflation.

Pi Kappa Delta is caught in the squeeze between decreasing income and increasing expenses and some expenses which perhaps ought to have gone up. I would not like to see the fees raised but if they are not, each chapter will have to initiate more members. I know that the costs of going to college are high but I know, too, that on many of your campuses the students drive cars, spend more on one date than pre-war students did in a month, and join other organizations which cost considerable money. It becomes a question of what we want to do. I don’t know the
solution but I do know that we face a problem and one which must be met.

Related to Pi Kappa Delta finances, of course, is program. Ten chapters within 400 miles of Kalamazoo are not represented here. But there are 5 out of 7 from Washington, 6 out of 7 from California, 2 of 2 from Oregon, 3 of 3 from Colorado, 2 of 2 from Idaho, 4 of 5 from Louisiana and our sole chapters in Arizona and Maine. Several sponsors wrote to say that they couldn’t get an additional appropriation from the college. Some chapters are represented by only a faculty member and some make that their customary practice. Did you know that about one-fourth of you are here because you sold athletic programs, ran concession stands, sponsored variety shows, contributed the proceeds of a year of baby-sitting, sold blood for transfusions, dug down into your own pockets, cooked your meals en route or are driving cars through from Michigan factories to dealers at home? The convention is, of course, only one aspect of a chapter program. The Coordinator of Provinces, Ted Nelson of St. Olaf, and the Charter Committee under D. J. Nabors are gathering considerable data about chapter activities and campus forensic programs. In relation with the national office the sponsor is the key person. This year we had 43 new changes of chapter sponsors over last year—about 25 per cent. There are undoubtedly some I don’t even know about. I learned of seven in getting convention entries. The problem of getting an accurate mailing list is a great one. A live sponsor will spark a live chapter and a live chapter will have a good program. It is almost axiomatic.

In the third place, and closely related to both of the above, is the problem of the direction in which forensics and Pi Kappa Delta are to go. It is my conviction, stated two years ago and repeated now, that we are living in a changing educational world and forensics as part of speech education is also part of that changing pattern. Some policies, philosophies, and practices in Pi Kappa Delta have not changed in a quarter of a century. Maybe they should not be changed but certainly they should be re-thought. Should we continue to have the type of convention we have been having since 1926? Is tournament debating on the wane? Should we re-state our purposes and broaden our membership base? Pi Kappa Delta should exhibit educational statesmanship in forensics, know its aims and goals and not drift with the current or be dragged under by the tide.

IN MEMORIAM

Dr. Alfred Westfall, Professor and Head of the Department of English and Modern Languages, Colorado A & M College, died suddenly Saturday evening, April 11, following his return home from attending the National Convention of Pi Kappa Delta at Kalamazoo College.

From the time he received membership card No. 161 as a charter member of Colorado Alpha, March 10, 1915, Dr. Westfall was an enthusiastic supporter and leader in Pi Kappa Delta. He probably held more national offices in Pi Kappa Delta for a longer period of time than any other man in the history of the fraternity. He was National Historian from 1918-20, 1928-30; National Treasurer, 1920-22; National Secretary, 1922-24; National President, 1924-28; and Editor of the FORENSIC, 1926-28, 1932-47. At the last national convention he served as a member of the Committee on Resolutions. It has been through the unselfish efforts of such men as Dr. Westfall—men who dreamed and were willing to pay the cost to make their dreams a reality—that Pi Kappa Delta has grown from the infant it was in 1915 to its present influence for stimulating a closer spirit of fellowship, brotherly cooperation, and interest in the art of persuasion beautiful and just.

Pi Kappa Delta bows its head in reverence to the memory of Dr. Westfall—humanitarian, teacher, scholar, counselor, friend—who gave so much to all of us. Dr. Westfall added to the sum of human happiness; and were everyone to whom he did some loving service bring a blossom to his grave, he would sleep beneath a wilderness of flowers.

Professor Ruth J. Wattles, Colorado A & M College, Fort Collins, Colorado, is chairman of a committee who is establishing a fund to be known as the Alfred R. Westfall Scholarship Memorial Fund. She invites your gift of appreciation to help make this memorial an actuality.
National Council
Student Members

June Florence Stromberg of Kalamazoo College and Lyle Koepfer of South Dakota State served as student members of the National Council during the National Convention at Kalamazoo College. In addition to serving as student member of the National Council, June also served as student chairman of the convention.

June was born in Detroit, Michigan, is nearly twenty-two years old, of Swedish decent and has visited in Sweden on two occasions. She completed grammar school in Detroit, high school at Traverse City, Michigan, and expects to graduate from Kalamazoo College this spring with a major in speech and minors in psychology and economics. She was Miss Traverse City of 1949. At K-College, June is a member of Kappa Pi Literary Society, Forensics, House Council, and President of Mary Trowbridge House. Her plans for a career in business have been changed to one in homemaking.

June's comments on serving as a member of the National Council were: "I consider it an honor and a challenge to be privileged to serve on the National Council this year. I had a very wonderful time and it was a tremendous educational experience. The members of the Council are a fine group of hard working men who never are too busy for a friendly greeting or a laugh."

Lyle, age twenty-two, lives in Brookings, South Dakota, where he completed his grammar and high school training and is now a graduating senior at South Dakota State. He is majoring in journalism and minoring in speech.

His college career has been active. He is a three year member of Pi Kappa Delta, and has had four years of intercollegiate forensic activity in debate, extempe, discussion, and after dinner speaking. He is the present president of the South Dakota Delta chapter of PKD and is a member of Alpha Psi Omega and Sigma Delta Chi, national dramatics and journalism fraternities. Lyle is also active in church work and is past-president of the Roger William Club, the college church group.

For three years, he has been a staff member of the student radio station KAGN, acting as public relations director and sports announcer. Future plans call for continued work in journalism and the daily newspaper field.

Our problems are accentuated by the fact that our strength has always been in the small private college and the state colleges, primarily of education. We have not been interested in size and prestige but in accomplishment. But one great segment of our memberships is having a difficult time of it in view of the decreases in income and the tremendous increases in costs. Some of our Alpha and Beta chapter colleges, once the homes of our strong chapters, are facing a fight for survival. Since about fifty percent of our chapters are located in privately supported colleges, we cannot ignore their plight and its effect on Pi Kappa Delta. We need to assist those chapters in every way that we can to maintain a program and do in days when every dollar on those campuses is being weighed we need to sponsor a program which will merit some of those dollars.

I have been serious but I am not pessimistic. This is still the most vital, vibrant organization of its kind and with good local, province, and national leadership it will continue to be.

It has been my good fortune to serve Pi Kappa Delta in a number of offices since 1930. The Council had asked me to continue as your secretary-treasurer for another four years as permitted by the constitution. I appreciate their confidence and yours but it is with reluctance and regret that I must decline the nomination. With the beginning of the next fall quarter both of our daughters will be away from home. It is a tremendous job even for an entire family project and an impossible one without their help. In addition to campus teaching and committee assignments we lead busy lives in the community and in our church. We need a little time to loaf, to read, to enjoy our Colorado mountains. It has been a grand experience. You have been more than tolerant of our errors, our delays, and our weaknesses. At this point the infrequent irritations tend to disappear and we shall remember especially the warm personal notes which you included in or attached to your letters and your friendly greeting at the convention registration desk. We covet for the next secretary-treasurer the same understanding cooperation you have given us. We shall do everything we can to make the transition to another headquarters an efficient and smooth operation.

Respectfully submitted,

S. R. Toussaint,
Secretary-Treasurer.
It was moved that the report be accepted. Carried.

Edward S. Betz, chairman of the Committee on Nominations, reported the results of the balloting as follows: President: John Randolph; Vice-President: D. J. Nabors. The meeting adjourned at 11:57 a.m.

Third Business Session

President Mahaffey called the meeting to order at 2:43 p.m. Thursday, April 9.

Theodore F. Nelson reported as Coordinator of Province Governors on measures being taken to increase the significance and scope of the province organization and the office of governor. He indicated that the governors would have direct liaison with the national council through the coordinator, that FORENSIC articles had pointed up the province organizations and leadership and that a governors’ dinner at the convention had offered opportunity to discuss new avenues of effectiveness. He reported that among other things the governors would write to presidents of all colleges in their province which had been represented at the convention, would encourage new chapters within the province area, would attempt to assist weak chapters in any way possible, and would encourage all chapters in the continuation of normal forensic activities and the enlargement of their programs. The governors recommended that the term of the province governor be increased to four years rather than the traditional two years. On motion the report was accepted.

President Mahaffey explained the thinking of the Council relative to the selection of a secretary-treasurer and presented D. J. Nabors of East Central State College, Ada, Oklahoma as the nominee for that office. The nomination was approved and carried.

Mr. Nabors presented his resignation as vice-president. It was moved that the resignation be accepted. Carried.

The Committee on Nominations presented the names of T. F. Nelson of St. Olaf and Laurence Norton of Bradley as candidates for vice-president. By common consent the convention agreed to cast the ballots on their honor, one vote per chapter, dispensing with roll call.

Announcements were made by John Randolph, chairman, committee on contests; June Stromberg, student member of the council; S. R. Toussaint, secretary-treasurer; Don Nelson, chairman, committee on discussion; Harvey Cromwell, Editor of the FORENSIC.

Edward S. Betz, chairman, committee on Nominations announced that T. F. Nelson had been elected vice-president. He then presented the nominees for positions on the National Council, as follows: Harold Ahrendts, Nebraska State Teachers College, Kearney; James Holm, Kent State University, Kent, Ohio; Ethel Kaump, Kalamazoo College, Kalamazoo, Michigan; Roy Murphy, Southwestern Louisiana Institute, Lafayette; Lawrence Norton, Bradley University, Peoria, Illinois; Franklin Shirley, Wake Forest College, Wake Forest, N.C.

The chair called for nominations from the floor. Emmett Long of Pepperdine College, Los Angeles, California was nominated.

Ballots were deposited on roll call which showed 125 chapters present and voting.

Glenn Capp reported as chairman of the Committee on Convention Invitations as follows:

Report of the Committee on Convention Invitations

The committee on Convention Invitations has received three definite invitations and one tentative invitation for the 1955 National Pi Kappa Delta Convention.

The definite invitations come from the following schools:

1. Redlands University, Redlands, Calif.
2. Washington State University, Pullman, Wash.
3. Oklahoma A & M College, Stillwater, Okla.

The tentative invitation was extended by Lewis and Clark College, Portland, Oregon.

In making a tentative evaluation of the invitations, the requirements drawn up by the invitations committee at the 1951 national convention were used.

1. Redlands University, located 60 miles East of Los Angeles, offered its facilities through Dr. Eugene R. Moulton, forensic director, and by telegram from the President of the University, George H. Armacost. It has the unanimous approval of the local province. This committee is of the opinion that Redlands University offers excellent facilities for the convention and tournament, and for housing and meals.

2. The Washington State invitation was extended through Professor W. H. Veatch and through letters from President C. Clement French and Associated Students director Frank Nosike, and with the endorsement of the local province. This committee feels that Washington State

The editor of the Forensic has asked me to prepare a brief statement of policy and a biographical sketch, and I am glad to comply. Actually, of course, any statement of policy from me at this time would be a little presumptuous, since I do not take office until July 1, 1953. However, all of us who listened to the speech of retiring Secretary-Treasurer Toussaint at our convention in Kalamazoo realize that there are many problems facing Pi Kappa Delta. It is my hope that we will approach these problems with an open mind. We must keep the best of the practices which in the past have made us strong; at the same time, we must change with the times. I know that I can count on the assistance of all of you in the thorough study of these matters.

Since a biographical sketch is likely to be of primary interest to the man being written about, I shall make this as brief as possible. I was born in the "penny royal," or poor man's red clay section of western Kentucky, but I have spent most of my life in Missouri. As an undergraduate I debated for Central College, Missouri Gamma, in Fayette. Thanks largely to my colleague, Earl Johnson, who was our strong second speaker, I was on the debate team which took third place at the Tulsa national tournament in 1932. I had the good fortune to have as my coach at Central Ira G. Morrison, now coach at Phillips University. After graduate work at Vanderbilt University, I returned to Central College and taught there until the war. After a hitch in the Navy as a communications officer, I was employed by Westminster College and have been there since 1946 as head of the department of English and director of forensics. One more vital statistic, and I am through: I married a member of the Central College women's debate team, and between us we have produced three debating children, who seem to be able to outargue both of us on almost anything. They ought to be wonders by the time they get to college.

JOHN RANDOLPH
Every two years brings new people to the Directory of Pi Kappa Delta. While they may be new as officers of the National Council, they are personalities well known to Pi Kappa Delta members. D. J. Nabors, Secretary-Treasurer, has been a member of PKD since 1930, Governor of the Provinces of Oklahoma and the Lower Mississippi, and member of the National Council; Dr. Ethel Kaump is the present Governor of the Province of the Lakes and was hostess of the 1953 national convention; Roy D. Murphy has served as Associate Editor of the \textit{Forensic} and Governor of the Province of the Lower Mississippi.
SUPERIORS WOMEN’S DEBATE: seated, left to right, Aileen Lawson, Nebraska Wesleyan; Anne Torrans and Pat Hankins, Northwestern Louisiana State; Delores Phife and Mary Sparks, North Texas State. Discussion Resolutions

One hundred and twenty-three students participated in twelve hours of discussion based on the question, How Can We Most Effectively Combat the Threat of Communism? The following resolutions were adopted at the general assembly which marked the last round of the participation:

I. That we combat communism with knowledge by promoting the objective teaching of political, social, and economic doctrines through free use of all media of communication and in particular that
   A. We expand the use of objective news casting, the Voice of America and the Voice of Freedom, and that
   B. We encourage the exchange of students, particularly through the United Nations.

II. That we stop the spread of communism by stabilizing the world economy in the following ways:
   A. Promoting the expansion and improvement of the Point Four program to those nations interested in helping themselves.
   B. Extending the use of reciprocal trade agreements.
   C. Lowering Tariff rates.

The President's Page

"Tis time we said adieu." This is the last of my pages and I'll miss the responsibility, although the editor will be relieved at not having to wait and wait for this page copy to get into his hands. It has been a joy to have had the honor of being President. Meeting all of you at the Convention made the term of office a pleasure which will never be forgotten. For those of you who were not at Kalamazoo, I can say that we missed you and were sorry that you couldn't have had a part in the fun, fuss, and fume of the Convention and its many activities.

Before writing finis to the Convention we all pay tribute to our hosts and the work they did. The facilities were adequate and pleasant and the college and campus were really ours. From the time we arrived until we left the members and friends of Michigan Alpha Chapter furnished real Pi Kappa Delta hospitality. A standing ovation to all of them!!

What have we done in the past two years? In an organization as large as ours and distributed over such a wide territory it may seem difficult to accomplish anything unified. Our strength lies in the individual chapters and their achievements. It is for this reason that the Charter committee works month after month, and day after day at the Convention, to review the activities of the local groups. This also, accounts for the fact that we took the action we did at the Convention when some chapters were dropped from our ranks and others were warned. Strength does not lie altogether in size but rather in activity. You, in each chapter, need to answer the opening question. If the answer is not satisfactory then you must make the changes.

During the past two years we have tried to strengthen the Province organizations, to give the Governors more responsibility, to get into closer touch with the individuals in the Province. Fine progress was made in this regard and the Province Conventions in the next year should demonstrate the value of getting together every year. Every Governor was in attendance at the National; every chapter should be in attendance at the Province next spring. One very valuable recommendation should be considered there; namely, the extension of the term of office for the Governor to a four year period. The National Council works with the major problems of the fraternity but the Governors comprise the larger Council which works with the active life of the fraternity.

We have carried on, also, some extensive correspondence with the other National fraternities trying to develop projects which would establish a more stable program in the entire forensic field across the country. We can learn much through greater cooperation with Delta Sigma Rho and Tau Kappa Alpha and Phi Rho Pi.

Finally, we made some advances in our constitutional procedures at the Convention. We need to increase our membership and rebuild our reserves. Our magazine has made fine progress and we need to assist the Editor with the type of material we would like to see. We need to contact other schools with chapters which may want assistance. We need to encourage wide awake schools to join us in membership. We need to plan for the next biennial Convention wherever it may be held. My personal thanks to all and I'll see you at the Convention.
From the Secretary’s Desk

Change of Office of the Secretary-Treasurer

Your attention is called to the notice about the moving of the national headquarters. Mr. Nabor plans to come to Greeley after August fifth when we will spend several days going over office procedure, checking and packing supplies, sorting file material, and preparing equipment for shipping. Remember that until August first all communications should be directed to the present office. Since the headquarters has been in Greeley for twenty-nine years mail will probably come here for some time but it will be forwarded immediately to Ada, Oklahoma.

D. J. Nabor has the background, the ability, and the temperament which make him an ideal choice for secretary-treasurer. He will undoubtedly change some procedures, for there are many ways in which the office may be improved. We know that you will cooperate with him to make the next four years a pleasant and happy experience.

Constitutional Revisions

While the amendments do not go into effect until August first you are urged to read your new constitutions carefully next fall. This is especially important for sponsors who were not present at Kalamazoo to hear the discussion on the convention floor. You ought to read the proceedings of the business sessions in order to be familiar with the committee reports and convention action.

Increase in Fees

Special attention is called to the first increase in membership fees since 1928. Until August first the fee remains at five dollars; after August first it will be seven dollars. Don’t embarrass your new treasurer by making him write back for more money.

And Now—“Good-by” and “Thank You”

This whole page might have been devoted to reminiscence and farewell but that would have been a bit sticky. I do want to thank you especially for your generous and warm expression at Kalamazoo and the many notes and letters we have received since then. Pi Kappa Delta is a great organization—great because it is made up of people like you. Remember that the latchstring will continue to be out at 1713 Glenmere Boulevard should you chance to come this way—and that is a good way to come. So—D. J.! this page is now yours; I hope that they get the right picture to go with it!

could furnish excellent facilities for all phases of the convention and tournament.

3. The Oklahoma A & M College invitation was presented by Professor Harry Anderson with the approval of the President and other Administrative officials of the college. He offered the same facilities as those for the 1951 convention. In extending the invitation Professor Anderson stated that he had no desire to press his invitation upon the convention but he graciously invited the convention to return to the A & M campus if the members cared to come. This committee feels the facilities on the Oklahoma A & M campus are excellent for all parts of the convention.

4. Lewis and Clark College extended a tentative invitation through the student vice-president of the local chapter of Pi Kappa Delta, Larry Campbell. He stated that a formal invitation would probably be submitted in writing to the National Council after further investigation and consultation with school administrative officials.

The committee wishes to express sincere appreciation for the invitations received. Further, it recommends to the National Council:

1. That an expression of desires of the local chapters be obtained toward the advisability of holding the 1955 convention on the West Coast either through vote of the delegates assembled at this convention or through polling the chapters by mail at its earliest convenience.

2. That the council make every effort to decide whether or not the convention will be held on the West Coast by January 1, 1954, so that the chapters may have sufficient time for making financial arrangements to attend, and so that the host chapter may enter the meeting on its school calendar in its college catalogue.

Respectfully submitted,

GEORGIA BOWMAN,
A. R. CHRISTENSEN, GLENN R. CAPP.

In view of the invitations from the State College of Washington and the University of Redlands, Larry Campbell of Lewis and Clark College withdrew the tentative invitation presented to the committee. It was moved that the committee report be accepted. Carried.

It was moved that a preferential referendum on convention invitations be taken dated October 15, 1953, the results to guide the national council in the selection of the convention site. Carried.

It was requested that the chair take an informal standing vote with respect to the possibility of going to the west coast, votes to be cast by the chapter sponsors where possible. The standing vote indicated 85 chapters in favor of going to the west coast, 5 opposed, 11 uncertain.

Mr. Betz reported that Ethel Kaump, Roy Murphy, and Laurence Norton had been elected to the National Council.

Robert A. Forsythe reported as chairman of the Committee on Constitutional Revision, as follows:

1. It is recommended that Article II, Purpose, page 3 be changed to read: “It shall be the purpose of this organization to stimulate progress in and to further the interests of intercollegiate speech activities and communication in an effort to provide functional leadership training for life, and at the same time encourage a spirit of fellowship, brotherly cooperation, and incentive for achievement.” It was moved that the amendment be approved. Carried.

2. It is recommended that Article III, Admission of Members, Section 1, Eligibility, page 3 be changed to read as follows: “Eligibility to membership in this society shall be determined as follows: The candidate shall be a regular collegiate student in good standing, or a graduate of an institution of college rank, and shall have represented his college in speech activities as provided in Article IV, Division C, Section 1, or shall be an instructor in public speaking or a director of speech activities in a recognized college.” It was moved that the amendment be approved. Carried.

3. It is recommended that Article IV, Division A, Section 1, page 4 be changed to read as follows: “Only college students and instructors in public speaking and directors of oratory and debate, actively engaged as such, shall be eligible to admission as Active members.” It was moved that the amendment be approved. Carried.

4. It is recommended that Article IV, Division A, Section 5, page 5 be amended by striking the word “and” in line one and substituting a comma, and by adding after the word “instructors” in line two the words “and directors.” It was moved that the amendment be approved. Carried.

It was moved that the words “director” and “directing” be substituted for “coach” and “coaching” throughout the constitution to make the wording consistent. Carried.

5. It is recommended that Article IV, Division B, Section 2, page 6 be amended by striking out the sentence reading “Participation in purely freshman debates shall not count toward either the requirement for admission or the requirements for advance standing.” It was moved that the amendment be approved. Carried.
6. It is recommended that Article IV, Division C, Section 4, page 8 be amended by changing the wording in line 15 after the word “or” to read: “to candidates who shall have received a rating of Superior in contests sponsored by the National Convention”; and the sentence beginning in line 29 to read: “This degree may also be granted to debaters who receive a rating of Superior in contests sponsored by the National Convention.” It was moved that the amendment be approved. Carried.

7. It is recommended that Article V, Division A, Section 6, page 10 be amended by striking out the sentence: “Part of these fees may be apportioned to the provinces by the National Council to aid in defraying expenses of the provincial conventions.” It was moved that the amendment be approved. Carried.

8. It is recommended that Article V, Division A, Section 6, page 10 be further amended by striking out the words: “except Honorary for which there shall be no fee” and having the sentence read: “The initiation fee of all members of all classes, except General Chapter members, shall be five dollars payable upon application for membership.” It was moved that the amendment be approved.

It was moved that the amendment be amended by adding after the sentence described the sentence: “Each chapter shall be permitted one free Honorary membership each year.” It was moved that the amendment to the amendment be approved. The chair declared the motion carried on voice vote. A division of the house was asked. The motion carried.

The previous question was moved. Carried. The original amendment as amended was carried, 64 to 31.

It was moved that Article V, Division A, Section 6, page 10 be amended by substituting the word “seven” for “five” in line 4. After discussion the previous question was moved. Carried. The amendment carried.

The parliamentarian was asked to rule on the vote on the amendment in recommendation 8 of the Committee on Constitutional Revision. The question was whether 64 votes constituted two-thirds of the delegates present. The parliamentarian ruled that the vote was not a two-thirds vote and that the amendment should be declared defeated. The chair so ruled.

It was moved that the chair order the first ten rows of the auditorium vacated and to be occupied only by voting delegates. Carried.

Mr. Forsythe continued with the report of the committee.

9. It is recommended that Article V, Division B, Section 4, page 14 be amended by striking out all words down to the word “Funds” in line 5. It was moved that the amendment be approved. Carried.

10. It is recommended that Article V, Division A, Section 9, page 11 be amended by adding after the word “President” in line 1 the words “or the faculty sponsor.” It was moved that the amendment be approved. Carried.

11. It is recommended that Article V, Division A, Section 13, page 12 be amended by substituting the following paragraph for the one now appearing in the constitution: “Any chapter failing to have a delegate at the first national convention after the granting of its charter, or any chapter failing to have a delegate at two consecutive national conventions, shall be placed on probation. Such probationary status can be lifted only by action of a National Convention, before which some delegate of the chapter appears in person and after said probationary chapter has fulfilled any additional obligations laid upon it by the National Council. Attendance at a National Convention shall be defined as answering present to roll call at not less than two business sessions of the convention. One of these sessions must be the final session unless the chapter has been excused by the National President.” It was moved that the amendment be approved. Carried.

12. It is recommended that Article V, Division C, Section 4, paragraph (d), page 19 be amended by changing the title of the paragraph to “Probation or Expulsion of Chapters”; and in line 2 to strike out the word “suspend” and substitute after the word “to” the words “place on probation.” It was moved that the amendment be approved. Carried.

13. It is recommended that Article V, Division A, Section 14, page 12 be amended by

(a) changing the title of the section to read “Chapters on Probation.”

(b) in line 2 striking out the words “under sentence of suspension” and substituting the words “on probation.”

(c) striking out the last sentence of the section.

It was moved that the amendment be approved. Carried.

14. It is recommended that Article V, Division C, Section 2, paragraph 4, page 16 be amended as follows: beginning in line 9 strike out the words “in turn by one of the other provinces in the order of their official designation” and
substituting the words “from one of the other chapters in the host province.” It was moved that the amendment be approved. Carried.

15. It is recommended that Article V, Division C, Section 2, paragraph 3, page 16 be amended as follows: In line 17 of the paragraph strike out the word “July” and substitute the word “August.” It was moved that the amendment be approved. Carried.

16. It is recommended that Article V, Division C, Section 2, sub-section (c), page 17 be amended by striking out the word “July” in line 24 and substituting “August.” It was moved that the amendment be approved. Carried.

17. It is recommended that Article V, Division C, Section 3, Sub-section (a), page 18 be amended as follows: Add the following sentence to sub-section (a): “The National President shall appoint one member of the National Council to serve as a Coordinator of Provincial Governors.” It was moved that the amendment be approved. Carried.

The Committee on Constitutional Revision recommended orally that an interim committee be maintained and that among other matters it give serious consideration to the creation of a fourth order, the Order of Curricular Speech. It was moved that such a committee be appointed. Carried.

This concluded the report of the committee.

It was moved that Article XI, page 25 be amended by inserting after the word “delegates” in line 3 the words “one to a chapter” and after the word “present” also in line 3, the words “and voting.” Carried.

It was moved that Article IV, Division C, Section 1, page 6 be amended by striking out in line 11 the word “five” and substituting the word “four.” The motion was lost.

The chair called for the report of the Committee on Resolutions. The report was presented by Ira G. Morrison.

**Report of the Resolutions Committee**

And now may it be resolved that:

The Eighteenth National Convention of Pi Kappa Delta, assembled at Kalamazoo College, Kalamazoo, Michigan, takes this opportunity to express its appreciation to all organizations and individuals who have contributed to the success of the convention and the pleasure of its delegates.

Pi Kappa Delta expressly voices its thanks to the administration of Kalamazoo College for making available the exceptionally fine facilities placed at our disposal. Especially are we cognizant of the compactness, convenience, and beauty of the campus. The cheerful acceptance by the faculty of Kalamazoo College of the inconveniences caused by the convention and their sympathetic cooperation merits a special note of gratitude.

Without the aid of the business office with its staff and its unique contribution, this convention could not have functioned properly.

The local chapter exemplified typical Pi Kappa Delta spirit in performing the many arduous, detailed tasks of planning and executing the mountainous details of the convention. We glory in their tenacity; marvel at their energetic accomplishments both mental and material; and we do bequeath them that deep sleep of fatigue which is their just reward for the long days and nights (and weeks and months) of anxiety which now lie behind them.

And now let us give recognition to our gracious hostess, Dr. Ethel Kaump. The warm and friendly hospitality which has permeated the convention may be attributed in a very large measure to her dynamic efficiency.

The convention particularly thanks Radio Station WKZ0, the Kalamazoo “Gazette,” and the Associated Press who so ably provided publicity of our activities. The coverage has been magnificent.

On behalf of the well travelled delegations from across the mountains who have received “discriminatory privileges,” we express deep appreciation for the housing provided for a minority group. The entire convention is grateful to those friends of the college and the faculty who so graciously opened their homes for the comfort of those chapters who travelled across the Rocky Mountains. Attendance by some chapters would have been impossible without such hospitality.

Our thanks and appreciation are given to those members of the faculties of Kalamazoo College, Western Michigan College of Education, and to the other friends of Pi Kappa Delta who so generously gave of their time and their energy to the judging of some of our contests.

The Kalamazoo Chamber of Commerce which provided effective liaison with advertisers and industries within the city must also be extended a vote of thanks. The souvenirs
of this convention provided by the Upjohn Pharmaceutical Company, Doubleday Office Supply Company, Shakespeare Fishing Tackle Corporation, and the Coca-Cola Bottling Company are deeply appreciated by all attending this convention. Upjohn Pharmaceutical Company and Sutherland Paper Company who opened their plants for our education and enjoyment are to be thanked for that contribution to our convention.

Our deep appreciation is extended to all of our national officers and convention committees who have done their duty well. No man can say more.

And finally, the society wishes to express its appreciation of the splendid services of its national secretary, Dr. S. R. Toussaint, and of those of his family. We appreciate all that he has done to encourage the chapter and the individual, to maintain the friendly contact which has made it possible for the national organization to function through to its most distant chapter. He has given himself generously in helpful service. He lays down his task with the good will of his associates and the gratitude of those whom he has served.

Catering

Whereas—The catering service in Welles Hall here at Kalamazoo College has far exceeded our most cherished hopes and expectations; and

Whereas—The dining service has been so courteous and efficient, and

Whereas—The menus have been so varied, balanced, savory, palatable and abundant; and

Whereas—The “Mess Hall” was converted into an attractive dining hall where colorful flowers graced each table, appealing to our aesthetic taste—

Be it resolved: That a very special vote of grateful thanks be extended to Saga Dining Hall, Inc., and to its manager of Welles Hall dining service, Mr. W. P. Laughlin, for the extraordinary and superb gustatory satisfaction we have experienced through their services this past week.

Puget Sound

Whereas—The lovely flowers that graced the banquet tables were the manifestation of the interest and the enthusiasm of the chapter from the College of Puget Sound, and

Whereas—Such copious display and favors were transported across the Rocky Mountains to our Kalamazoo tables by special air delivery, and

Whereas—Such thoughtfulness and planning, for our banquet pleasure demonstrates an element of the spirit of Pi Kappa Delta,

Be it resolved: That this convention go on record as being particularly appreciative of the fraternal gesture and the expression of Pi Kappa Delta purpose.

In Thanks

Whereas—The planned operation of a convention of the magnitude and scope of National Pi Kappa Delta would result in confusion and disorder were it not for the adequate performance of many duties, and,

Whereas—We are indebted to those students of Kalamazoo College who generously relinquished their rooms for our comfort, and to those students who shouldered the job of attending to the multitude of specific and anonymous tasks, we extend our unanimous thanks,

Whereas—The members of the Maintenance Department and other members of the staff of Kalamazoo College did forego their Easter vacation and their regular duties in order to serve this convention,

Be it resolved: That this Convention acknowledges such benefits and favors and explicitly cite those individuals as our particular benefactors.

Respectfully submitted,
JAMES MCCARTHY, IRA G. MORRISON,
JUNE STROMBERG, ALFRED WESTFALL,
HERBERT L. CURRY, CHAIRMAN

It was moved that the constitution be amended to permit each chapter to initiate two honorary members per year without the payment of a membership fee, the regular charge to be made for all honorary members in excess of that number. It was moved that the matter be referred to the interim committee on constitutional revision for study. Carried.

D. J. Nabors, chairman of the Charter Committee presented the final report of that committee as follows:

1. The committee recommends that the following chapters be removed from their probationary
status since they have met the requirements for good standing:

Alabama Gamma, Spring Hill College; Missouri Lambda, Missouri Valley College; Tennessee Gamma, East Tennessee State College.

It was moved that this recommendation be approved. Carried.

2. The committee recommends that the following chapters be placed on probation for a period of two years:

Arkansas Delta, Arkansas State College; California Epsilon, UCLA; Florida Beta, John B. Stetson University; Georgia Beta, University of Georgia, Athens; Iowa Lambda, University of Dubuque; Iowa Nu, William Penn College; Kansas Eta, Kansas Wesleyan College; Texas Kappa, Sam Houston State Teachers College; Washington Delta, Whitworth College. It was moved that this recommendation be approved. Carried.

3. Mr. Nabors announced that since Tennessee Eta, The University of the South, had not met the constitutional requirement of attending its first convention after the charter was voted, the charter would not be presented and the chapter would not be recognized.

The chair called for the report of the Committee on Convention Evaluation. The report was presented by Student Council member Lyle Koepfer as follows:

**Report of the Convention Evaluation Committee**

This committee has the pleasure to report to the President that in its estimation the criteria as set forth in the January 1953 Forensic have been attained to a remarkable degree. There have been and always will be room for improvement. The Committee has received many suggestions and is passing them on to you as a possibility for future consideration in the planning of the 1955 Convention. These suggestions are listed in terms of the frequency with which they came to the various members of the committee. Realize that these are in no way exhaustive, but may be considered as indicative of the areas that may need change.

The suggestions are as follows:

1. That there be more rankings in extemp and oratory beyond the first three; four, five and six have been suggested. A few have indicated that quality ratings be also used.

2. That the debate ballots be changed to include a wider system of quality ratings along with
the rankings of each of the debaters and the wins and losses.
3. That more attention be paid to question of pairings in debate so as to avoid the meeting of teams from the same areas in the tournament.
4. For oratory that we return to the word limit and not use a time limit.
5. For extemp that the four areas of discussion be not announced at the beginning of the contest; and that different sub-topics be used.
6. That Monday or the first day of the Convention be not so heavily loaded with contests. The strain after the long trips was in some instances too much for some contestants.
7. That instructions to judges be issued prior to the tournament.
8. That students and faculty be urged to attend the business meetings and participate therein.
9. That biographical sketches of all candidates for office be prepared and distributed prior to the meeting at which the elections take place.

The following resolution is presented to the membership:

Whereas, the problem of sufficient judges for all contests is of paramount importance to the success of the tournament, and

Whereas, the position of the President and the National Council must be strengthened,

Be it resolved that the President and the National Council be required to enforce rigidly the contest rule that states “All competing chapters must provide at least one faculty member who is a qualified judge and who will accept his assigned service as outlined by the judging committee . . . No college will be permitted to enter the convention tournament without providing a judge unless limited to one student representative,” and that the only exception shall be extenuating circumstances beyond the control of a chapter, the validity of which shall be determined by the President of Pi Kappa Delta in advance of the Convention.

The Committee feels that this has been one of the best conventions in the knowledge of the members of this committee.

Respectfully submitted,

CLAYTON FORD, Chairman,
HAROLD SVANOE,
HAROLD C. LARSON,
DEAN MCSLOY,
LYLE KOEPER.

It was moved that the resolution presented by the committee be approved. Carried.
On motion the session adjourned at 5:53 p.m.
Here I am again down South in Mississippi and glad to get home. Had a wonderful time at Kalamazoo and truly regret all of you were not there. The food, really sumptuous; the weather beautiful (it didn’t get cold until Friday and then you should have been in Chicago—my southern acclimated blood thinned down to ice water); hospitality, the South just can’t beat it; PKD’s, the friendliest group you can imagine; the convention, well planned and executed; the hosts, tops. In short, as near a perfect convention, except some of you failed to get there, as possible.

The 18th Biennial National Convention of Pi Kappa Delta got under way Sunday night, April 5, 7:00 p.m. with the Easter Service conducted in Stetson Chapel. Members attending the services enjoyed a very fine performance by the First Baptist Church choir and the address by The Honorable Orland Kay Armstrong, Congressman from the 6th Missouri District. Congressman Armstrong spoke on the subject, Spiritual Values in the Modern World, and stressed three basic concepts of our national heritage that have helped make America great. Those concepts were freedom, equality, and cooperation. It was interesting to note that GLENN ALLEN, JR., Mayor of Kalamazoo (Michigan Alpha ’36) and choir director RUTH JOHNSON DUNSMORE (California Alpha ’19) were members of PKD.

Some statistics—560 delegates and visitors from 123 chapters from 29 states attended the convention. In 1951, 640 representatives from 135 chapters. One hundred and twenty-three students participated in discussion; 56 in women’s oratory, 71 in men’s oratory, 83 in men’s extempe speaking, 51 in women’s extempe, 62 women’s debate teams, and 96 men’s debate teams.

The sad moment of the convention followed the announcement of “Syl” Toussaint that he could not continue as National Secretary-Treasurer. The silence that settled over the business session following Dr. Toussaint’s announcement was greater proof than words of the very efficient manner in which he has accomplished the toughest position in PKD and the high esteem and appreciation extended him by all of us.

All province governors were present and busy helping with the convention. JESS W. GERN, Men’s debate; CLAYTON FORD, HAROLD SVANOIE, HAROLD C. LARSON, and DEAN McSLOY, committee on convention evaluation; ROBERT A. FORSYTHE, and MRS. J. H. MELZER, constitutional revision committee; WILMA BAUGH, women’s extempe; ETHEL KAUMP, host chapter, ERWIN H. SCHWIEBERT, judging.

Elections of officers were held in three of the province meetings. Province of the Sioux: Harold C. Larson was retained as governor until 1954 to conform with the practice of electing officers at provincial meetings; GEORGE McGOVERN, Dakota Wesleyan, vice-president; R. S. de LAUNDENFELS, Yankton College, secretary-treasurer.

Province of the Upper Mississippi: MARION E. HAWKINS, Wisconsin State College at River Falls, governor; Grace Walsh, Wisconsin State College at Eau Claire, secretary-Treasurer.

It was a lot of fun working on The Key (daily news sheet) with EMIL PFISTER, associate editor of The Forensic and BUZZ DEWEY, CONNIE WILSON, AND SMITH, Inc. (official printers) of K–College.

Everyone appreciated the Balloon Ball held on Wednesday night. The orchestra was good, the floor slick, the mood dreamy, the punch pink. The students from Detroit University
furnished a very excellent floor show. Professor H. C. SCHNEIDEWIND and Connie Wilson, however, stole the spotlight with their singing.

I enjoyed sitting by Mr. and Mrs. D. T. BURNS of Baldwin-Wallace during the banquet, Thursday evening. Mr. Burns, after 32 years of teaching and directing forensics is retiring at the end of the present school year. Mrs. Burns has written a book based on their travels and experiences which will be on the market at an early date.

One of the personal highlights of the convention for me was visiting with Dr. and Mrs. W. V. O'CONNELL of Northern Illinois State Teachers. Dr. O'Connell was my debate coach when I was an undergraduate in Oklahoma and Mrs. O'Connell was more to us than just the wife of our favorite professor. She was the friend, counselor, and trouble-soother for us. I know the people in Illinois must love them as much as we did in Oklahoma.

There is always a little bitter with the sweet. At Kalamazoo, it was bidding adieu to the active leadership of our genial and efficient national president ROY MAHAFFEY and Secretary-Treasurer S. R. TOUSSAINT. They have made indelible marks on the progress sheet of PKD and will long be remembered for the endless efforts they have made in its behalf. As we say “Thanks for everything,” we extend our welcome and cooperation to our new leaders; Dr. John Randolph, president; Dr. Theodore F. Nelson, vice-president; Mr. D. J. Nabors, secretary-treasurer; and council members Dr. Larry Norton, Dr. Ethel Kaump, and Dr. Roy Murphy.

The history of PKD is filled with the examples of men and women who have sacrificed individual honors and acclaim for the best interests of the fraternity. D. J. Nabors’ resignation after being elected national vice-president to accept the more time consuming and laborious position of secretary-treasurer is an example of the point at issue. I’m sure all PKD’s join The Forensic in extending this note of appreciation.

Say, why don’t you graduating seniors subscribe to The Forensic? It’s only $1.00 a year or $2.50 for three years. See instructions on the back page.

I enjoyed seeing so many of you at Kalamazoo and thanks, again, for all the assistance you have given me. I sincerely hope each of you will have a very pleasant summer.

Your Editor
