PAY DUES AND INDUCT NEW MEMBERS EARLY!

It has been the practice of some schools to pay their dues and new membership fees at the registration table for the convention.

*Please consider paying your national and provincial dues **prior** to registration. This will help the national office to be better prepared for the convention.*

*It would also be very helpful if chapters would induct their new members and send in membership forms and fees **prior** to registration.*

All students entered officially on the registration form **must be** members of PKD. The National Tournament Director and the National Secretary-Treasurer will need to verify the status of all participants in the convention and tournament. This process will be facilitated more efficiently if we have the memberships **on record** prior to the convention.

If chapter sponsors are uncertain about the status of their students, please contact the National Office.

Central States Announces Convention Theme

The CSCA Association Convention will be held in St. Paul, MN, April 17-24, 1996. The theme is: The Message is the Medium...of organizing, deceiving, negotiating, influencing, humoring, deciding, categorizing, creating, loving..." Program proposals are being sent to: Dan Millar, VP, CSCA, Dept. of Communication, Indiana State University, Terre Haute, IN 47809.

Students Plan PreSale of Convention Items

Sweatshirts, mugs, pins, pennants, pens, and other assorted items will be on sale for students planning to attend the convention. Pre-sale information will be available in the February newsletter.

Students who pre-pay for orders will receive a substantial discount. The pre-paid items will be set aside for students to pick up at the "PKD Store" upon arrival.
