It was fun and refreshing - the informal mixed Monday evening, as arranged by Dana T. Burns, Governor of the Province of the Lakes; Glenra Smith, Student Representative on the National Council from Bowling Green; and Bill Straub.

Howard Leiber mixed us up! We learned that there is really no North, no South, no East, no West; Just the United States and Texas!

After enjoying the refreshments prepared by Elsie Lodge and Dorothy Anderson, we were thoroughly entertained with Ronald Kern's readings and the floor show, featuring Jay Cherry, Dick Price, and Ivan Szekely, the piano playing chemistry professor.

Professors Houston, Menchofer, and Veatch can't understand why they don't mix as well as they did in by gone years!

Congratulations Ed Betz and Sherrod Collins. And congratulations Pi Kappa Delta in having elected such a fine national president and vice-president for the next two years. As a student a little over twenty years ago, Ed Betz went to the finals in the men's debate tournament at the National Convention at Heidelberg, Tiffin, Ohio, in 1926. He was then representing Hastings, Nebraska Delta. He has done much for Pi Kappa Delta since then. He is now Dean of Men at College of the Pacific. He carries the confidence and good wishes of the whole membership as he begins his new duties. Sherrod Collins is Professor of Speech at Northeast Missouri State Teachers at Kirksville. Two years ago he played the part of Pa Allen in the original production of "The Moon is Down" when it appeared on Broadway, and in other cities. After eight months on the stage, he came back to teaching.

The Mixer Monday night and the dance Thursday evening are provided by the Province of the Lakes. Thanks.
