

THE KEY Page 3.

COMMENTS FROM THE PRESIDENTIAL CANDIDATES  
continued.....

PENNY SWISHER, MISSOURI DELTA  
William Jewell College

With cutbacks in budgets and increasing scepticism about the forensics community, PKD should lay the groundwork for the support of an activity we all hold near and dear to our hearts. I hope that a networking system used to support local programs through administrative contacts will aid in strengthening of what we know is a worthwhile activity.

Leadership:

Governor of the Providence of  
Missouri, President of the Speech  
and Theatre Association of Mo.  
Convention planner for The Speech  
Theatre Association of Mo., Execu-  
tive Secretary of States Advisory  
Council, Vice-president CEDA,  
Outstanding Young Women America  
1981-82.

WJC supports a wholistic program individual events and debate are both highly supported. I would like to have stronger relationships with the other Forensics Organizations.

WJC stands behind the principles and foundations of Pi Kappa Delta. We support PKD as shown through our annual awards given to the school and competitor in the nation that we consider most admired!

My behavior and character reflects the ideals of PKD, and the forensic ideals of William Jewell College as developed by Dr. Gearia Bowman.

PICTURES PICTURES PICTURES PICTURES

Convention Picture is scheduled for  
8:15 a.m. paved parking area east of the
