## NATIONAL COUNCIL CANDIDATES

As a result of the first ballot for the election of National Council members, there are now five candidates. The final balloting will occur at 9:00 p.m. Friday at the last business session of this convention. It is very important that all voting delegates be at this meeting to cast their ballot. The five candidates are:

Mike Bartanen  
Joel Hefling  
Bill Hill  
Sally Roden  
Bill Yaremchuk

Biographies of four of these candidates appeared in Issue I of "The Key". This issue contains the biography of the fifth candidate, Sally Roden, as she was nominated from the floor.

## SALLY RODEN

I am Director of Forensics at the University of Central Arkansas. I have been a member of Pi Kappa Delta for many years. I believe in the ideals on which Pi Kappa Delta is based and I would be honored to represent you on the National Council.

Having just had an opportunity to participate in the Developmental Conference, I wish to comment on a couple of areas that think PKD could focus its energies. First, I think that Pi Kappa Delta should renew its responsibility to promote individual abilities in communication. In renewing this responsibility, Pi Kappa Delta should encourage learning even above competitive success. Second, our mission for the future of Pi Kappa Delta should be to develop good members and encourage companionship among chapters locally, regionally and nationally. Pi Kappa Delta

needs to promote its cooperative attitude and, therefore, fulfill Article II of the Constitution which states that the purpose of Pi Kappa Delta is "to encourage a spirit of fellowship and brotherly cooperation." If this is done, Pi Kappa Delta can take a leadership role in meeting the increasing need for interforensic organizational cooperation.

I would like to be your National Council member and work to promote these two areas of focus. I consider the nomination to the National Council of Pi Kappa Delta an honor. I will strive to represent you and be your voice on the Council. I appreciate your consideration and look forward to working with you.
