## What is the Key?

The Key is the daily bulletin of the PKD Convention/Tournament. It is a source for news, announcements, and a bit of humor. The Key will come out each day at the Grande Isle and at the L.S.U. University Center. Please leave news, announcements, campaign information, etc. for Steve Hunt at tournament headquarters or leave him a message at The Best Western Airline Motor Inn.

## Welcome to PKD National Convention/Tournament

PKD's National Convention/Tournament is unique!! It is a convention and a tournament all rolled into one. It is a professional development conference, a place for forensic forums, a site for student, coaches, and alumni caucuses, and a tournament all together. Pervading the convention/tournament is the PKD motto "the art of persuasion, beautiful and just." It is a motto which means we honor forensics education and forensics competition together. Please carefully read your programs. Note all the special meetings, caucuses, showcases, and forums. Participate in all the activities and really keep things Rolling on the Red!
