

- 00:43:21 **Murle Mordy:**
The I-20 is also called the Certificate of Eligibility.
- 00:44:18 **Julie McAdoo:**
Maybe you plan to cover this, but why do international students choose Ottawa University?
- 00:44:57 **Murle Mordy:**
Most of the students at the Ottawa campus come because of the opportunity to play a varsity sport. Coaches reach out to them.
- 00:46:05 **Marylou DeWald:**
Mainly for the same reasons as domestic students - we offer a degree or program they find attractive or they are recruited for a sport. These are the two main reasons students come to OU.
- 00:46:51 **Marylou DeWald:**
Once here, we know they often refer peers because of the individualized service they receive from OU
- 00:49:12 **Julie McAdoo:**
What type of education/training is needed for DSOs? Is some kind of certification needed?
- 00:51:48 **Murle Mordy:**
However, as the DSO for the Ottawa campus I do step in sometimes to help students find housing and work with the Student Life Office for students living on campus.
- 00:55:24 **Kate Bayne:**
What percentage of those 575 students equals total enrollment U Wide?
- 00:56:02 **Chet Keizer:**
Are study and travel abroad trips offered to all OU units, or are they campus specific?
- 00:56:56 **Marylou DeWald:**
Chet - it depends but with rare exception all programs are offered U-wide
- 00:58:43 **Christine Currier:**
Would things like new majors, students withdrawing from classes or programs, etc. come from the Registrar—or from the advisor?
- 01:00:17 **Ivana Damnjanovic:**
We need Serbian flag there :)
- 01:00:58 **Joe Greenhaw:**
The Republic of Texas
- 01:02:04 **Murle Mordy:**
Ideally any coach or instructor who knows that an international is leaving should inform the International Student Advisor at each of the residential campuses plus the Registrar.
- 01:05:25 **Carine Ullom:**
Do you mean Study Abroad specifically? Or Global Experiential Learning more broadly (to include virtual exchange and service learning)?
- 01:06:29 **Christine Currier:**
Any plan to have entire study abroad semesters?
- 01:06:29 **Courtney Castillo:**
Do we plan to ever have international scholarships for our international students?
- 01:07:12 **Heather Faustich:**
What is the OU international email address to assist with student / faculty questions?
- 01:07:28 **Frederick Jerry Streets:**
On average, what are the cost for international study above the normal student expenses who do not go abroad?
- 01:07:53 **Murle Mordy:**
Kim. You can add the training modules that SEVP offers (once revised).
- 01:09:08 **Carine Ullom:**
No, it was in reference to expanding Study Abroad.
- 01:09:13 **Carine Ullom:**
How are you defining that?
- 01:09:26 **Julie McAdoo**
The House of Representatives is considering legislation that would increase compliance requirements for programs that have foreign revenue sources. Do you think that will impact current partnerships?
- 01:09:49 **Carine Ullom:**
I'm asking if it's ONLY Study abroad or if you mean the broader concept of Global Experiential Learning.
- 01:10:23 **Carine Ullom:**
Is Study Abroad a placeholder term for all of the GLE options?
- 01:11:16 **Andrea Cook:**
With 2024 being an election year have there been any impacts in the past on international enrollment when we have a change in administrations? - curious if you anticipate any concerns here?
- 01:13:33 **Maranda Badeaux:**
internationalprograms@ottawa.edu
- 01:14:11 **Murle Mordy:**
But that address is basically for the programs that International Programs Office handles.
