

## VOTER REGISTRATION AND INFORMATION

*Ottawa University provides the official state internet address for voter registration to its students. Each student receives the internet address appropriate for the state of the campus they attend. OU provides this service for all federal elections and state elections for the governor or other state chief executives. Notification of the internet addresses is sent to students 120 days prior to the deadline for registering to vote within each state. Students not residing in any of the following states should use one of the general links below to access their state information.*

General Voter Information and links to State information as well as involvement activities can be found through [Rock the Vote](#). Additionally, voter registration information for all states can be found at [Turbo Vote](#).

State specific information for states where OU is located can be found:

Arizona:

Voter Information: <https://azsos.gov/elections/voters>
