Student Activities

Traditional age students find a wide array of student clubs and organizations available at The College in Ottawa. These include Campus Fine Arts, Music and Theatre Groups; Campus Media; Campus Ministries Groups; Department and Professional Groups; Ethnic and International Groups; Greek Life; Intercollegiate Athletics; Intramurals; National Scholastic Honor Societies; Student Government and various Volunteer Services.

Activities at the adult campuses vary depending upon student interest. Adult students lead multifaceted lives and their availability for student activities may be limited. All adult campuses provide a dinner for each year’s graduates and a highly personalized and meaningful graduation ceremony. Many friendships are formed among adult students as well as business networking opportunities. Alumni chapters exist at each adult campus.

The next link provides a full description of all Student Activities offered at the Ottawa campus.
